13 miles of streets to be oiled & chipped

The Granite City Street Department will begin oiling and chipping approximately 13 miles of city streets next week. The work is expected to start Monday.

Fourth Ward Alderman Sharon Perjak, street and alley committee chairman, said the project will involve streets in each of the city's seven wards. The road work will be completed in about a week.

The streets selected for coating were chosen after a city-wide inspection of street conditions was conducted by Street Superintendent Mac Warfield's department. "We selected the worst and tried to keep even the number of streets in the wards," he said.

Although 49 streets are marked for the improvements, the amount of streets to be finished will depend on how far the city's supply of 30,000 gallons of oil goes. The street superintendent estimates the quantity is sufficient for the project.

City Engineer Monte Brewer advises residents worried about the oil sticking to their vehicles or being tracked into their homes to take certain precautions. Those include parking cars in alleys or on streets not slated for coating, and curbing youngsters from playing in streets right after the coatings are applied. "Stay off the streets as much as possible," Brewer advised.

The streets to be oiled and chipped, divided approximately by wards, are:

First Ward: Victory Drive between Nameoki Road and Terminal Avenue; Herbert Street between Nameoki Road and Alexander Avenue; and Edna, Charles, Louise streets and Alexander Avenue between East 23rd Street and Edwardsville Road.

Second Ward with adjoining portions of neighboring wards: Wilson Avenue between Nameoki Road and Warren Avenue; and Marshall and Myrtle avenues between St. Clair Avenue and Victory Drive.

Third Ward: Adams Street between 20th and 24th streets; 23rd Street between Adams and Benton streets;

Charles Street between Edwards Street and Popes Avenue; and Hall Avenue between August Avenue and Charles Street.

Fourth Ward: St. Clair Avenue between Jill Avenue and Nameoki Road; West 24th Street between Missouri Avenue and dead end; Nameoki Drive between Route 2 and railroad tracks; Rodger Avenue between Carlson and Wayne avenues; Davis Avenue between Jill and Aubrey avenues.

St. Paul Street between 26th Idaho and Oregon avenues; Circle Drive between its two intersections with Nameoki Drive; Oakland and Norwood drives between Old Alton Road and Rode Avenue; and Melrose, Rode and

Braden avenues between West Pontoon Road and Norwood Drive.

Fifth Ward: Roosevelt Avenue and Denver Street between Rock Road to dead ends; St. Louis Avenue between Poplar and Maple streets; 13th Street between Granite Avenue and Edwardsville Road; 14th Street between Edwardsville Road and McCambridge Avenue; and Iron Street between Edwardsville Road and 1322 Carr Street.

Sixth Ward: Edgewood Avenue between St. Clair and Elm avenues; Elm Avenue between Edgewood and Dale avenues; Dale Avenue between Elm and St. Clair avenues; Forest Avenue between Glen Drive and Elm Avenue;

Rodger Avenue between Wayne and Jill avenues; Wilson Avenue between Dale and Edgewood avenues; and Ash Avenue between Wilson and St. Clair avenues.

Seventh Ward: Clark Avenue between 1334 Clark Ave. and Lydia Lane; Lydia Lane between Johnson Road and Garfield Avenue; Ball Avenue between Spring and Mitchell avenues; Prairie Avenue between Primrose and Bremen avenues; Cottage Avenue Franklin and Primrose avenues; Richmond Avenue between Johnson Road and Franklin Avenue; Manley Avenue between Franklin and Primrose avenues; and 302 feet of the alley behind Ervay's Restaurant, 2220 Pontoon Road.

School administrator salary cuts rescinded

By BILL WINTER

The Granite City Board of Education decided Tuesday night to return administrators' salaries to the 1992-93 levels, rescinding a 10 percent salary reduction.

Voting negatively in the 5-1 decision, Board Member David Partney asserted after the meeting that "some changes should be made" in both the board membership and the administrative staff.

He described fellow board members as "incompetent" because they voted to increase payroll costs at a time when the district is far in debt. Five board positions will be decided by voters Nov. 8, including Partney's position.

With the exception of several administrators who have relatively low salaries, the board voted March 22 to cut administrators' pay by one-tenth, effective July 1. The restoration of last year's higher salary levels is being made retroactive to July 1, first day of

the current fiscal year.

After joining in praise of Director of Food Services Michael A. Kanak, Partney also voted "no" in a 3-1 action Tuesday night that provided pay increments and adjustments to 12 administrators, including Kanak.

Partney explained later that he favored the adjustment for Kanak, who is credited by the board with putting all school cafeterias "in black ink" after years of losses in which the annual

Janice Brimberry declines to answer questions during trial

Mrs. Janice Brimberry's refusal to answer a question aimed at establishing her as Thomas Brimberry's wife, caused a court case yesterday afternoon in Granite City to be recessed for two more weeks.

Mrs. Brimberry was called to the witness stand at 4:30 p.m. Wednesday in Granite City to testify in a civil action by Wade Rollins against Miller Excavating Company, which had been owned by Thomas Brimberry's husbands.

Arthur Miller Sr., who operated Miller Excavating, is Mrs. Brimberry's father.

When put on the witness stand, Mrs. Brimberry stated her name, "Janice Ann Brimberry." But when Attorney Nick Vassileff, Rollins' attorney, asked her if she is the wife of Thomas Brimberry, she invoked her Fifth Amendment rights against testifying on the grounds of possible self incrimination.

Thomas Brimberry is to go on trial Nov. 21 on federal charges relating to the stock fraud which caused the collapse of the Stix & Co. brokerage in St. Louis.

Associate Judge Thomas Hildebrand, who is hearing the case, told Mrs. Brimberry that he could not see how her marriage to Thomas Brimberry

Seith proposes economic incentives for U.S. steel mills

By GARY SCHNEIDER

American steel corporations have been ripping off their workers and taxpayers of the nation by using tax breaks intended for modernization and using the money to buy non-steel-

related businesses, Alex Seith, a candidate for the Democratic nomination to challenge Republican U.S. Senator Charles Percy, contended as Seith visited the Press-Record Tuesday.

Seith had harsh words for United States Steel Corp., which gained wage

concessions from its workers and tax breaks from the government and used the money to buy Marathon Oil Corp. Now, U.S. Steel wants to buy its steel slabs from Great Britain, instead of manufacturing them in the United States, posing, perhaps, the greatest threat to the American basic steel industry in history, Seith said.

He said he believes Percy should be asking the Secretary of Commerce to invoke the 1962 Trade Expansion Act, "which gives the secretary the right to forbid any import not in the interest of national security. The U.S. is protesting (the proposed importation of British steel slabs), but I am puzzled that they haven't invoked this act," Seith said.

He said steel is basic to the American way of life and security. Steel is needed for building roads, all forms of transportation, food growing and distribution, construction and all forms of manufacturing. "If U.S. Steel is allowed to import its steel slabs, other steel companies will have to do the same to compete and in an unbelievably short time, we would be out of the basic steel business. After a few years, it would be too late to rebuild it. The time to stop it is right now," Seith said.

He said Percy, as head of the Senate Foreign Relations Committee, could at least focus public attention on the problem. "He could call hearings on it," Seith said.

About the only thing the Foreign Relations Committee can do is attract publicity," the Democratic challenger said.

Seith said he cannot see why American steel industries have been given tax breaks for rebuilding without assurances that the money saved would be used for modernization of the steel mills. National Steel Corp., parent of Granite City Steel, used its savings from wage concessions and tax breaks to buy United Financial Corp., the candidate contended.

Speaking specifically of the U.S. Steel purchase of Marathon Oil, Seith said, "It's a ripoff of the public in the first place. David Roderick, chairman of the

board, has looked out for his narrow self-interest. The public is subsidizing their paper shuffling."

Seith agreed that modernizing steel plants could lead to the displacing of some workers by technology, but stated, "That is one of the unhappy choices you have to make. It's that, or no steel mill, then everyone is out of a job."

Seith proposed a plan to make American steel competitive with foreign steel in this country. He said countries importing steel, autos and other items should be made to reveal how much it costs them to produce the commodities and what kind of govern-

OK bonds for new industry

By GEORGEANN MCGEE

The Granite City Council Tuesday night unanimously approved an industrial bond sanction for up to \$10 million to businessmen planning an industrial wastewater detoxification and precious metals recovery plant.

The company currently is looking at property in Illinois Power's Northgate Industrial Park along Route 3.

ETICAM representatives said their

plant may be operating here within a year. The firm will eventually employ about 160 by the end of a five-year period, according to the company's proposal.

About 34 employees will be needed during beginning operations. About half that number is projected to be employed as commissioned sales representatives. Other job categories include, four truck drivers and two each

BREAK WINDOWS AT BOARD OFFICE
Twelve windows at the Madison School Board Office, 1707 Fourth St., Madison, were damaged by vandals, during the weekend.
Seven glass block windows were broken, along with three small windows at the basement level, a large window on the north side of the building and a window in the storage area, reports said.

STEREO, TAPES TAKEN
Mrs. Sharon Jordan, 2014 Edwardsville Road, Madison, discovered her van had been broken into last week. It was ransacked and a digital stereo and tapes were taken. There also was damage to engine accessories.

Part of benefit may be taxable

Starting in 1984, part of the Social Security benefits received by people with substantial other income may be subject to the federal income tax, Oliver Holmes, Social Security district manager in East St. Louis, is pointing out. This change in the law was part of the 1983 Social Security amendments which were designed to strengthen the Social Security program for many years, into the future, Holmes said.

Up to half of a person's Social Security benefits for 1984, and for later years, will be subject to tax if his or her adjusted gross income for federal tax purposes — plus nontaxable interest income and half of the Social Security benefit — exceed a base amount.

The base amount will be \$25,000 for an individual, \$32,000 for a couple filing a joint return, and zero for a couple filing separate returns.

The amount of benefits subject to taxes will be the smaller of:

- One-half of the Social Security benefits.
- Or one-half of the amount by which the person's combined income adjusted gross income, nontaxable interest income, and half the Social Security benefit — exceeds the base amount.

Some adjustments in benefit payments may be possible, Holmes said.

Any overpayment of the person's Social Security benefits during the year can be deducted. Also, any lump sum received can be prorated to the year for which it was paid if that is an advantage, it was explained.

Any Medicare medical insurance premium deducted must be included in total benefits.

The Internal Revenue Service will provide complete instructions on how to file tax returns. Social Security has a free leaflet which briefly explains about taxing benefits.

Copies of the leaflet can be obtained at the East St. Louis Social Security office, located at 650 Missouri Ave. The telephone number is 271-4100, or toll-free by dialing the operator and asking for Enterprise 1-555.

Safety awareness exhibit at SEMC

St. Elizabeth Medical Center (SEMC) hosted a Safety Awareness Day for its employees in the facility's Paskal Hall. Steve Missey, safety director at SEMC, said he hopes to make the program an annual event that will coincide with Fire Prevention Week.

"We invited outside businesses and local government agencies to set up booths and inform the workers about safety," said Missey. By increasing the workers' knowledge, we are hoping to make the hospital a safer place."

Departments and businesses handing out information included the hospital's laboratory, pharmacy, dietary department, infection control center, biomedical engineers and physical therapy. Other groups present were the Granite City Fire Department, the Granite City Police Department and Fire Safety, Inc. of Wood River.

TERRY SALEM Salem leading UW campaign in government

Terry M. Salem, administrative assistant for personnel of Granite City School District Nine, has been appointed to serve as vice-chairman of Group C, Government, by General Campaign Chairman Thomas Majewski of the Tri-Cities Area United Way.

Salem was born and raised in the local area. He graduated from Venice High School, received a bachelor of science degree from Eastern Illinois University and obtained a master of science degree from Southern Illinois University at Edwardsville.

He has completed postgraduate work at St. Louis University. Salem and his wife, Marge, have two children.

Salem is a member of the Y.M.C.A. board of directors, St. Louis School Personnel Association, Illinois Personnel Association, and American Association of School Personnel Administrators.

He formerly was assistant principal of Granite City High School North for seven years. He is a member of the volunteer board of the St. Louis Civic Ballet Association, and a member of the board of Coordinated Youth.

Busy night for Venice firemen

Three fires in the 500 block of Washington Avenue, Venice, kept Venice firefighters busy for several hours Saturday night and early Sunday.

At 9:30 p.m. Saturday, Richard King, 524 Washington Ave., reported finding a window broken beneath a rear garage apartment. Pieces of a broken bottle were seen laying on the floor inside, alongside a burned piece of rag. Officers investigating the fire took possession of the items.

Bonnie Franklin, who occupies the apartment, reported smelling smoke and going downstairs about 9:15 p.m. Several old screens were damaged and King reportedly hosed down the area before calling firemen.

A furnace explosion may have been responsible for a fire at the one-story brick house of William Wright, 521 Washington Ave., Venice, where an explosion reportedly was heard at 3:50 a.m. Sunday.

Firefighters remained at the scene until 5:15 a.m. and were recalled when the blaze apparently rekindled at 6:22 a.m. Sunday. Police said the interior and rear of the dwelling sustained damage. An estimate of loss was not given.

Venice firemen also responded to an electrical fire which damaged a storage shed at the rear of the home of Jessalyn Overton, 912 Washington Ave., at 10:35 p.m. Saturday. Details of the damage were not immediately available.

MITCHELL SCHOOL PTA TIME IN ERROR
The Mitchell School PTA meeting will be conducted the second Thursday of each month. Parents will be notified of future dates.

The meeting time was erroneously reported in the Monday issue of the Press-Record.

Troop 15 plans November events

Boy Scout Troop 15 began October with a campout at Washington County Lake near Nashville, Ill., and will end the month with a Halloween party for troop members and their families at the home of Leroy Stark, a Uniwah District Committee member.

At the Nashville campout Scoutmaster Karl Markovich Sr. and Assistant Scoutmaster Larry Hale Sr. spent the weekend instructing the following boys in scout crafts as well as hiking and fishing: Patrick Boyer, Karen Carroll, Steve Corbett, Jeff Fasick, George Free, Donald Gray Jr., Eric Markovich, Karl Markovich Jr., Chuck Matosian, Travis Mayes, Charles Sanders and Tim Szymek.

The following weekend the troop participated in the annual Uniwah District Fall Camporee which was held this year at Horseshoe Lake. In keeping with the theme "Indian Lore," the troop competed with other troops from the area in traditional Indian games, winning the Veterans' Revenge Contest. The troop was host to Troop 55 which is under the leadership of Scoutmaster Jim Schmiedeknecht and was on its first over-night campout.

Members from Troop 15 attending were: Patrick Boyer, Karen Carroll, Jeff Fasick, Larry Hale Jr., John Hoskins, Eric Markovich, Karl Markovich Jr., Kevin Martin, Charles Sanders, Andy Simpson and Tim Szymek.

The troop held a car wash on the grounds of the troop's sponsor, Eagle's Home F.O.E. #1126, during the weekend.

Plans are also underway for a benefit barbecue in November and a campout on the Berryman Trail for the Veteran's Day weekend, the Scoutmaster announces.

Drive expanded to attract industries

By SUSAN SIGNAIGO-
WELCH
of the Press-Record

"We don't have an image problem," St. Louis people, we don't have any image," James Pennekamp, executive vice president of the Tri-Cities Area Chamber of Commerce, commented in explaining why the Chamber has taken a new, more visible approach to promoting the area.

The Chamber, along with three other Southern Illinois agencies, recently started a campaign to promote the Metro-East area under the direction of Dr. Robert Koepke, director of the office of area development at Southern Illinois University at Edwardsville.

The first evidence of the latest move appeared in the Oct. 17-23 edition of the "St. Louis Business Journal," where an advertisement entitled, "Discover the Tri-Cities of Southwestern Illinois" appeared.

Locally, Pennekamp is handling the promotion. "Dr. Koepke presented the plan for this ad campaign to the chamber, with the idea that it would help promote the area to industry. The plan calls for the Chamber and three other groups to simultaneously run their ads in publications using a common theme; this way we can get mileage out of each other's ads."

Pennekamp said the three other groups involved in the plan are Riverbend Growth Triangle and Development Corridor. He said that the groups plan to start their advertising out "modestly," but hope to also run their ads in "Commerce Magazine" and the "Area Development Magazine."

The other three groups also had ads in the "Business Journal's" supplement on Southwestern Illinois' growth and development. "The articles (which included a front page story on Granite City Steel making a comeback) in the (Business Journal's) section are very upbeat and positive," said Pennekamp. "We're hoping this type of publicity will help the area to build on its already growing success."

Pennekamp said the ads are geared toward people who act as consultants to industries. "I think the majority of people who live and work in the Metro-East area don't know what's over here (the Quad-City area). We want to show them that we have business opportunities and a progressive industrial community. We also exist in the expertise in the training of the area employees and in the area's capability of putting together turnkey industrial packages for industries."

Pennekamp says that it is this lack of knowledge of the area that is the Quad-City area's greatest downfall. "I believe that the Metro-East

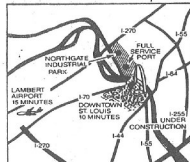

Discover the TRI-CITIES of Southwestern Illinois

area has a negative image, but the Tri-Cities area has no image at all; people don't know about us," he noted.

Pennekamp said the Chamber also has launched direct mail campaigns to inform people on the area's potential. "We have been trying to identify industries

that could operate well in this area and notify them by mail. And we're trying to have some type of diversity in the industries we mail to. We're not just contacting primary metal industries." He said the direct mail process has brought some responses, but nothing con-

crete. "I think in the long term, we'll see some action in this area. I think the Tri-Cities is making some good headway in the business community and I'm satisfied with the job we're (the Chamber) doing to promote it."

IP's supplier wants to lower rates 5.2%

Mississippi River Transmission Corporation, the pipeline company that sells natural gas to Illinois Power Company and Laclede Gas Company, wants to lower its rates by 5.2 percent. The move should lower gas bills about \$30 a year for the average customer.

Although Carl Mathias, service area manager for Illinois Power, said he has received no official word on the decrease in rates, he said he is "sure the home office has been notified." Laclede Gas was notified of the request late Wednesday.

The pipeline company requested the price decrease because of a change in the mix of their gas purchasers. Some types of gas cost less than others, so changing the

mix of gases has resulted in a lower overall price of gas. Before the reduction can be implemented, however, the request must be approved by the Federal Energy Regulatory Commission. If the reduction is approved, the 5.2 percent decrease is expected to be retroactive to Oct. 1, 1983.

LOOT STOREROOM AT CLARK STATION
Thieves pried a lock and entered a storage room at the side of the Clark Service Station, 20th Street and Madison Avenue, and stole a large quantity of soft drinks, the manager reported at 6:30 a.m. Tuesday.

Missing were four cases of soft drinks and 48 two-liter bottles and 111 sixteen-ounce bottles of soda, valued at \$175.

Change time on dance classes

Changes in time schedules for the Granite City Park District's tap and ballet classes, which start Tuesday, Oct. 25, at the Harold Brown Recreation Center, Amos and Franklin avenues, were announced today.

Classes for beginners will take place every Tuesday, with registration accepted the first day of class for children in kindergarten through grade 6 only.

Kindergarten and first grade sessions will be from 3:30 p.m. until 4:30 p.m.; second and third grades from 4:30 p.m. until 5:30 p.m.; and fourth, fifth and sixth grades from 5:30 p.m. to 6:30 p.m. No fee is charged to residents with a park district ID card or proof of residence. Non-residents will be charged a \$10 fee.

GOLD CARD. Gordon "Piccolo Pete" Routh

Routh of Mitchell proudly displays a 50-year gold membership card presented the well known area musician by Edwardsville Local 98 of the American Federation of Musicians. The North Venice native started his professional music career at Tampa, Fla., in 1928. He returned here in 1930 and has been performing with area orchestras since that time.

Musicians honor 'Piccolo Pete'

A 50-year gold membership card was presented last week to Gordon "Piccolo Pete" Routh of Mitchell, a widely-known area musician, by Edwardsville Local 98 of the American Federation of Musicians.

The presentation was made at a party given in Routh's honor at the local's headquarters and the occasion marked his years of dedicated service and his professional involvement in music, which spans more than a half-century.

Routh was reared in North Venice, but has resided in Mitchell the past 50 years.

His lengthy musical career began in 1928 at Tampa, Fla. He returned to this area in 1930 and began playing with many local musicians until he joined the Joe

Ladd Orchestra, a popular group in that era. He remained with the orchestra from 1935 until 1953. Routh, who is better known by his nickname, "Piccolo Pete," became the clarinet and sax man for the Walt Schlemmer Band in 1953 and remained with Schlemmer's orchestra for the next 25 years.

At the present time, Routh is beginning his ninth year as a performer with the Joey James Orchestra.

TELEVISION GONE
Kathy Johnson, 4405 Kirkpatrick Homes, reported at 12:30 p.m. Monday that a color television, was taken in a burglary at her apartment.

REPORTS DROPPED

GUN DISCHARGES
While being treated at St. Elizabeth Medical Center during the weekend, Ralph Clatts, 1415 Iowa St., told police the injury occurred when he was placing a .38-caliber revolver on a nightstand and he dropped the weapon, causing it to discharge.

The bullet struck the wall, ricocheted and struck Clatts' left index finger, he said.

Drug enforcement officer addresses retired persons

The regular meeting of the National Association of Retired Federal Employees Chapter 1067 was held at Charlie's Restaurant featuring a talk by a local drug enforcement officer. There were 56 persons in attendance, including two new members—Jerry Fotillo and Omar Hampton.

Chapter President Harry McClintock called the meeting to order and Thara Erney, second vice president, gave the invocation and all present then repeated the Pledge of Allegiance in unison.

Following lunch, the quality of which earned a round of applause, the guest speaker was introduced.

Richard Scharden, a seven-year veteran of the Granite City Police Department, who, for the past four years, has been assigned to the Metropolitan Enforcement Group of Southwestern Illinois (MEGSI), spoke. One of the nine such organizations formed in the state of Illinois, the mission of Officer Scharden's group is to combat illegal drug usage and sales.

After reviewing how the nation's serious drug problem has evolved to its current state, the guest speaker described some of his group's covert activities, which have led to a 99 percent conviction rate of apprehended criminals. Officer Scharden ended his presentation by outlining the education program his enforcement agency is conducting for different age groups of students in elementary and secondary schools. He also noted that parent groups are being organized as another measure in the fight against drugs.

The minutes of the previous meeting were read by the Secretary Ruth M. Stoyanoff, and the treasurer's report was given by Helen Miller.

First Vice President Lawrence Henghold then gave the Legislative Committee's report as follows: "During the month of August, The Consumer price index rose .4 percent to date, in Calendar year 1983, the cumulative CPI increases amount to 2.6 percent.

"The Senate and House committees overseeing government operations have passed their respective budget packages for Fiscal Year 1985. Each agrees that General Schedule (GS) employees should receive a four percent increase; however, the version calls for an October, 1984 date. It is predicted that the Senate committee's proposal will be adopted. Both budgets contain a cost-of-living allowance for federal retirees in January, 1985, as well as calling for a reduced amount for non-disablee retirees under 62 years that same month. Rather than making the reduced COLA for younger retirees a continuous thing, as was previously threatened, both committees have stipulated January, 1985 as the date for this age-discriminatory measure.

The health insurance rates for federal employees and retirees have been negotiated by the U.S. Office of Personnel Management. Starting in January, 1984 the average increase of rates will amount to 19 percent. An "open season" during which time subscribers can change coverage will take place from Nov. 14 to Dec. 9. Along with its notice about the "open season," OPM also will send current health insurance subscribers a booklet which compares cost of various health plans. This booklet should be carefully studied.

There were no reports by the chairman of the Service, Publicity and Sunshine committees of activities during the previous month.

As Chairman of the Program Committee, Elmer Ebrecht stated that he will give a report at the next meeting on plans made for the Chapter's Christmas party.

The chapter president announced that a Nominating Committee has been formed to recommend a slate of officers for the election to be held at the November meeting. The committee will be chaired by Thelma Simmons and also will consist of Martha Meier and Orville Hommert.

Also under new business,

Brinkhoff awarded for contributions

William R. Brinkhoff, principal of Prather Elementary School, was recently selected by the "Those Who Excel" educational awards program. He and other Illinois award winners will be honored at a dinner on Oct. 28, at the Americana Congress Hotel in Chicago.

The "Those Who Excel" educational awards program recognizes and honors people who have made outstanding contributions to the educational community.

For purposes of the awards, the state is divided into six areas. These areas follow the boundaries of the state's superintendents of Schools organization. There are winners of awards in each of the six areas: plaques, certificates of recognition and letters of honorary mention. Brinkhoff is a certificate winner in the school administrator category.

The Illinois Teacher of the Year is selected from plaque winners in the teacher category. The Illinois Teacher of the Year nomination will be entered in the National Teacher of the Year program in November.

Mrs. Dorothy Bailey and Mrs. Alice Zimmerman have been teachers of the year from Granite City in the past.

Drugs from fireflies
Cornell University biologists have succeeded in isolating potential heart drugs from fireflies, shark repellents from a marine mollusk, and a nerve drug from a millipede.

EKG course for nurses set

A nine-week course entitled "Advanced Dysrhythmia and 12-Lead EKG Interpretation for Nurses," is being offered by the Nursing Education Department of St. Elizabeth Medical Center in Granite City.

Classes will meet every Tuesday from 8 to 10 a.m., Oct. 25 through Dec. 20, in the Nursing Education classroom located in the McKinley School building, 2200 Iowa.

Open to those nurses who have successfully completed a basic rhythm interpretation course, the classes will allow participants to describe a systematic approach to the practical interpretation of advanced EKG readings, identify criteria necessary for recognition of advanced dysrhythmias and compare and contrast criteria for interpreting both normal and abnormal 12-lead EKG readings.

The course will be taught by Gail Osterbur, a registered nurse, who has five years of nursing experience in critical care nursing. For the past two years, she has worked as a nurse clinician for the intensive care unit at St. Elizabeth Medical Center.

Nurse Osterbur received her nursing degree from St. Luke's Hospital School of Nursing in St. Louis.

The course has been approved by the Illinois Nurses Association for 14 contact hours of continuing education credit.

Registration is \$45 and includes a workbook. Deadline for registration is Friday, Oct. 21. A letter of acceptance follows the receipt of registration.

To register, or for more information, interested persons may call the Nursing Education Department at 798-3528.

TWO ALTON MEN ARRESTED MONDAY

Darryl Thomas and Michael Williams, both of Alton, were arrested by Venice police at 10:20 p.m. Monday, for charges associated with illegal liquor.

The police approached the subjects after they pulled into a no parking zone. The driver of the car, Williams, was unable to produce a driver's license. One of the policemen found two 16-ounce cans of beer and an open pint of vodka in the front seat area.

Thomas, the owner of the vehicle, was charged with illegal possession of alcohol and was released on his driver's license.

Williams was released after payment of a \$52 fine for parking in a no parking zone. He also was given notice to appear in court on the illegal transportation of liquor charge.

Law improves evidence collection in rape cases

Legislation supported by State Representative Sam Wolf, D-Granite City, to assure continued state participation in the statewide program to improve evidence collection in rape cases, has been signed into law by Governor Thompson.

"An Evidence Collection Kit for Sexual Assault Examination, developed in part by Chicago Police Sergeant Louis Vitullo, has been in use in Chicago since 1977," Wolf said. "Since November, 1980, state funds have been used to purchase and distribute these Vitullo kits statewide."

According to Rep. Wolf, since hospitals began using the kits, the rate of error in evidence collection has dropped and the number of rape convictions has increased statewide.

"Early last session, when

it was apparent that the governor and his director of law enforcement were going to discontinue the funding for this program, we decided to push for passage of House Bill 782 to mandate state participation," Wolf said.

"I am happy that the governor found the funds necessary to pay for the distribution of these kits, and I believe that uniform evidence collection procedures will continue to help prosecutors get convictions," Wolf added.

Ackerman joins staff of GC Trust

Drew Karandjett, president of Granite City Trust and Savings Bank, recently announced that Douglas Ackerman has joined the staff of Granite City Trust as a loan officer. Ackerman attended St. Clair County College in Port Huron, Mich., and has been associated with financial companies for 12 years.

Before joining Granite City Trust, he was employed by Associates Finance Company of Fairview Heights. Ackerman, his wife, and three children live in O'Fallon at the present time.

DOUGLAS ACKERMAN

Blocked crossing charge is filed

While on patrol at 12:48 a.m. Wednesday, an officer noticed a halted Terminal Railroad Association train blocking the crossing at Edwardsville Road at 20th Street. When contacted, TRRA Railroad authorities said the train, to their knowledge, was moving.

At 1:15 a.m., the train finally started to clear the crossing, the officer alleged, and the caboose number was recorded. At that point, the officer attempted to record the engine number and eventually located the engine at 14th and State Streets and obtained the number as it passed that location.

A state complaint was signed and the Terminal Railroad Association, 2016 Madison Ave., was charged with blocking a railroad crossing.

Women of Moose dinner Sunday

The Women of the Moose, Chapter 247, will sponsor a chicken and dumpling dinner which is open to the public on Sunday, Oct. 23, at the Moose Lodge. Cost of a ticket is set at \$3.50, it was at the regular meeting, last week.

They also will prepare a craft table on Oct. 30 at the YMCA Open House, Junior Regent Delilah Kramer added. Mrs. Kramer reminded the members of the annual Moose Lodge Parade set for Oct. 31 in downtown Granite City.

She opened the meeting, designated Mooseheart Night, and introduced the Mooseheart chairman, protom, Jean Teller. Mrs. Teller in turn presented the Mooseheart Committee, who donated a check to be sent to the Mooseheart child city.

During the session a new member, Charlotte Daugherty, sponsored by Rosella Mead, was enrolled. Other pro tem officers of the night were Mildred Votuppal, Charlotte Brock, Mary Brock, Anna Kuzma, Irene Goede, Birdie Meyenburg, Sara Gusewelle, Carolyn Heister, Verna Wilson and Billie Sefcik. Luncheon was served by the Mooseheart committee followed by several games with prizes going to Mrs. Votuppal, Mrs. Sefcik and Mrs. Joyce Fox.

The next meeting will convene on Wednesday, it was noted.

With her are her parents, Mr. and Mrs. William Willaredt, at left, her husband Harold and daughter Dixie Lynn. The dedication coincided with National Handicapped Awareness Week. (Press-Record Photo by Patrick Foley)

SUSPECT ARSON IN PORCH FIRE

Donald Byrd, 2824 Buxton Ave., reported during the weekend that a youth knocked on his front door and advised that a rear porch at the home, along with a stack of firewood, was on fire.

The firewood was stacked against a fence about eight feet from the porch and Byrd extinguished the blaze with a garden hose, he told police.

Some damage resulted to the wooden porch and structure, it was noted. The fire department came to the scene and checked the damage, reports said.

Recover alleged stolen loot in GC

Jeffrey Lynn Ruckel, 20, of 2900 (rear) W. 20th St., waived formal extradition proceedings in an appearance at 3:35 p.m. Tuesday before Associate Judge Thomas E. Hildebrand in the Granite City court. He was released to St. Louis police authorities.

Ruckel is facing a Missouri charge of stealing over \$150 in connection with the alleged theft of a quantity of merchandise taken from the P&E Trucking Association firm at 1811 N. Broadway, St. Louis.

Accompanied by local officers, St. Louis detectives and a representative of the trucking company went to the West 20th Street address at 2 p.m. Monday, where they were admitted by Ruckel and found a large number of items in a large kitchen, allegedly stolen earlier from the St. Louis business firm.

Among the loot were nine walking Santa Claus dolls in

LOTTO FRENZY. A line of more than 50 people wound through the aisles of Reese Drug Store in Belleme Village Shopping Center during the weekend. They were waiting to purchase tickets for the Illinois State Lottery "Lotto" game. State lottery officials announced

that there was one winner of the \$6 million grand prize, the largest ever in the state lottery's history. The Reese outlet issued more than 1,800 Lotto tickets last week. At for right, operating the lottery computer is Glenda Duvall and behind her is Ruth Crispell.

(Press-Record Photo by Patrick Foley)

Special education events, meeting schedule planned

The Parents for Special Education have announced a schedule of events for the coming months.

The group will participate in bowling from 1 to 3 p.m. each Saturday at the Granite City Army Installation (Depot). The bus schedule for the activity is 12:30 p.m. at St. John's parking lot, 2901 Nameoki Road, and 12:45 p.m. at the Granite City

Press-Record parking lot, 1815 Delmar Ave. Cost of the game is \$1.50. There is no age restriction for bowlers.

The group will conduct a dance Nov. 11 at the Venice Recreation Center. Dances are held every second Friday of the month at the center. In the surrounding area, a dance will be held at St. Bernard School in Wood River on Oct. 28. Dances are

conducted there every fourth Friday of the month. The dances are open to those 15 and older, and donations are \$1. Those interested in transportation may call 451-9832.

The group is sponsoring skating parties from 5 to 8 p.m. the third Monday of each month at the Stardust Skating Rink. Skate rental is \$1, and there are no age

restrictions.

Tennis will be played at 3:30 p.m. every Saturday, if weather permits, at Granite City High School tennis courts. All ages are invited to participate.

Basketball practice for Madison and Venice boys over 18 is conducted from 4 to 6 p.m. at Louis Baer School.

The September meeting of Special Education Parents was held at Parkview School. After the meeting, parents toured the facilities that have been renovated for special education students.

GC resident gets honor from Navy

Brian Corey, 4005 North St., midshipman second class, was one of 31 University of Illinois students honored at the 1983 Navy ROTC fall awards program for superior academic performance and physical fitness.

Karl Wintermeyer, Beardstown, received the Silver Dolphin award for sub-marines. Wintermeyer qualified as a submariner in six weeks during a summer cruise, accomplishing what normally requires nine months of work. A midshipman third class, he also was commended for superior academic performance.

\$6 million prize biggest ever in the Illinois lottery

A 51-year-old private investigator from the Chicago suburb of Glen Ellyn has won \$6 million in lotto, the largest prize ever won in Illinois State Lottery history.

Betty Gloss was the only player to match all six winning numbers in Saturday's (Oct. 15) lotto, it was announced Monday.

She will receive her prize in 30 annual installments of \$300,000 each.

Mrs. Gloss and her husband, Arthur, are the parents of three grown sons, Jim, 31, Jerry, 28, and Terry, 21, and the grandparents of Jim's children, Christopher, 4, and Sarah, 3.

Mrs. Gloss said she usually buys \$4 worth of lotto tickets each week. However, with a single-winner grand prize of \$6 million guaranteed, she purchased \$20 worth of tickets.

Her system for picking the winning numbers of 04, 12, 17, 19, 32 and 33?

"The 12 is for April, my birth month," she explained. "The 12 is the result of adding the five member of my immediate family plus my two grandchildren, plus my five dogs."

"The 19 and 32 come from 1932, in which I was born," she continued.

"And since I never win at lotto because the winning numbers are usually one or two away from the ones I have, I picked a 17—two less than the 19 I had already picked—and 33, one less than 32."

Plight of dislocated Illinois workers cited

A 30-minute videotape documentary on the plight of dislocated workers in Illinois was completed this month by two faculty members at Southern Illinois University at Edwardsville.

Raymond LaGarce, professor and chairman of the department of marketing in the School of Business, developed the idea and received a \$10,000 grant for production of the documentary. Riley Maynard, assistant professor in the department of mass communications of the School of Fine Arts and Communications, was responsible for the technical production and narration.

Funded by a Comprehensive Employment Training Act (CETA) Linkage grant through the Illinois State Board of Education, in cooperation with the Madison County Manpower office, the documentary provides insight into the problem, as well as realistic recommendations and advice to dislocated workers, LaGarce said.

A new law replaced the

above the 32 I had chosen."

Mrs. Gloss said she learned she was a winner Saturday evening.

"We usually watch the televised lottery drawing but were out to dinner Saturday night. When we got home, my sister-in-law called and gave me the numbers."

Although Mrs. Gloss knew on Saturday she was a grand prize winner, she did not know until Monday that she was the only grand prize winner.

Contacted at a restaurant at which she and her family were having breakfast, Mrs. Gloss voiced only one comment, repeated over and over—"I don't believe it."

She said she was "too numb" to think of how she may use the money. Her prize is almost twice as large as the previous record Illinois lottery prize of \$3.6 million, won in May by Findley Mahaffey of Malesco.

In addition to the grand prize winner, 365 lotto players had five of the six winning numbers to win \$1,704 each, and 20,000 players picked four of the six to collect \$46 each.

Lottery Supt. Michael J. Jones said last week's lotto sale of more than \$6.2 million was a record. The previous weekly sales record was \$5.7 million.

The guaranteed single-winner grand prize for the next lotto was announced as \$2.5 million.

CETA Linkage project with the Job Training Partnership Act program. Effective Oct. 1, it seeks to deal more specifically with the problem of workers who have skills but have become unemployed due to shifts in economic demand.

"This tape would be a valuable resource to dislocated worker centers, job service agencies and various educational forums. The tape delivers salient, important information on the serious problem of dislocated workers," LaGarce commented.

A copy of the videotape can be purchased through the department of mass communications at SIUE for \$110.

ROLLER SKATING LESSONS OFFERED

The Granite City Park District will offer roller skating lessons every Wednesday from 5:30 p.m. at Stoppokettes Roller Rink, 19th Street and Cleveland Boulevard. There is no admission charge, although the children must pay 75 cents skate rental.

Registration will be at the Roller Rink. The program will begin on Wednesday, Oct. 26, and continues through March 7. On Nov. 23, Dec. 21 and Dec. 28, there will be no skating.

CHARGED WITH DUI

David Thompson, 23, Granite City, was arrested by Troy police during the weekend and was charged with driving while under the influence of alcohol or drugs, improper lane usage and illegal transportation of alcohol.

HOW TO MAKE THE MOST MONEY YOUR MONEY CAN MAKE.

With all the different interest rates it's hard to decide how to get the most for your money. One way to eliminate this uncertainty is to lock in today's high rates with one of our longer term CD's.

You can open one of these certificates for just \$500. But with rates like these, you'll want to put most of your money to work making the most it possibly can.

Certificate of Deposit	Current Interest Rate* %	Effective Annual Yield** %
12 Month	9.750	10.239
24 Month	10.350	10.902
30 Month	10.600	11.180
42 Month	10.850	11.458
60 Month	11.000	11.625

*These rates effective from Oct. 18th through Oct. 24th.

**This yield achieved if principal and interest remain on deposit for the term.
Federal regulations require a substantial penalty for early CD withdrawal.

YOU MAKE MORE MONEY EVERY DAY.

If you compare long term certificates, you'll find that some don't offer daily compounding. This means you're not getting the most for your money.

At Illini Federal, all of our long term CD's are compounded daily to give you higher yields.

We have lots of ways to give you the most for your money. To be sure which is the best way, come in and talk to one of our Financial Counselors. Make us your family financial center.

NOW WE'RE ALL YOU NEED.

KNIGHTS INSTALLATION. Members installed as officers of Knights of Columbus Council 1098 are: left to right, front row, Harry Sampson, chancellor; T.A. Feeler, financial secretary and district deputy; Michael DeRuntz, grand knight; Norman Bennett, deputy grand knight, and Bob Buecker, recording secretary. Back row, Frank Greenwald, inside guard; Mike Kalips, warden; Larry Falbe, outside guard; Frank Vrabec, treasurer; Al Sanders, trustee; Ken Marli, trustee; Ed Evans, advocate, and Rudy Hoffer, trustee. The Rev. Gary Perret will serve as chaplain.

Pickets move the JFK Dinner to Belleville

The location of the annual JFK champagne dinner, which will be this Sunday night, has been moved from Southern Illinois University at Edwardsville because of a picket line being posted there by campus police.

The event, which will feature Thomas P. "Tip" O'Neill, speaker of the U.S. House of Representatives, was switched to Augustine's Restaurant in Belleville after Democratic officials expressed concern over crossing informational picket lines being posted by the police.

The 18 police posting the informational picket are represented by Teamsters Local 525 of Alton. The group was offered a 4.5 percent pay raise last Friday, but rejected the contract.

All other aspects of the Democratic event remain unchanged. O'Neill, principal speaker at the event, began his political career in 1938 when he was elected to the Massachusetts House of Representatives. During his tenure in the Massachusetts

legislature, he served as minority leader and was elected as the first Democratic speaker of the Massachusetts House in 1948.

He served as speaker there until 1952, when he was elected to the 33rd Congress. O'Neill serves the Eighth District of Massachusetts in the U.S. House of Representatives.

Also at the dinner will be Congressman Melvin Price (D-East St. Louis) and Paul Simon (D-Makanda). Speaker of the Illinois House Michael J. Madigan, Illinois Attorney General Neil Hartigan, State Comptroller Roland Burris, State Treasurer James Donnell and U.S. Senator Alan J. Dixon (D-Belleville).

Cocktails will start at 6 p.m., with dinner being served at 7 p.m. Tickets are \$45 a person.

Robert Stille, vice-

chairman of the Madison County Democratic Central Committee, is the dinner-dance chairman. He can be contacted at 1-562-0767 or 1-566-0679 for reservations.

News Notes

Illinois jobless are down from 11.7 percent in August to 10.1 percent in September.

Congressional investigators say they checked 38 hazardous-waste dumps in Illinois this summer and found 35 were failing to monitor adequately whether toxic chemicals were leaking into drinking water supplies.

Illinois lawmakers are back at Springfield for their response to the governor's handling of the year's legislation. Of 1,218 bills sent to Gov. James Thompson, he vetoed 173, vetoed parts of 11 and altered 161 by amendatory vetoes.

Permanent public school records must be kept for at least 60 years, Attorney General Neil Hartigan said Thursday.

A study estimates that Illinois Congressional seats will decrease from 22 to 20 after the 1990 census and to 18 after the year 2000 due to Sun Belt population growth.

Gas plant overruns called 'staggering'

U.S. Senator Charles H. Percy (R-Ill.) has identified a \$424 million cost overrun at Trunkline LNG Company's plant which processes Algerian liquefied natural gas (LNG) used in the Midwest. Central Illinois consumers began paying for the costs of the facility last March when a rate hike was approved by the Federal Energy Regulatory Commission (FERC).

"This cost overrun is staggering," Percy said. "I have

asked the General Accounting Office (GAO) to get to the bottom of this. We must determine if these costs are legitimate and if FERC is doing its job in seeing that these costs are curbed and that consumers don't needlessly pay for them."

In 1977, Trunkline was granted FERC approval to construct in Lake Charles, La., an LNG processing facility expected to cost \$164.3 million. The project was completed in 1981 at a cost of \$387.7 million — 258 percent more than the original estimate. Because of Algerian delays, LNG was not delivered until August 1982.

The cost overrun at Trunkline's Lake Charles facility is outlined in a GAO interim report on an investigation of the plant. Percy today released the report which also found that:

—In 1979 — less than two years after the project was approved — the estimated cost of the facility rose 139

percent and FERC took no action. The costs tripled over a four-year period and FERC took no action.

—Costs for field engineering, supervision and overhead increased 777 percent over the project costs originally approved.

—Over a two-year period, plant construction and related costs quadrupled. The delay in LNG deliveries from Algeria from July 1981 to August 1982 resulted in additional costs of \$93 million, primarily in interest expenses.

Following Percy's request for a GAO study this February, FERC began an audit of the facility in May. GAO cannot issue a final report until FERC completes its audit next year. FERC is responsible for ensuring that any gas rates charged to consumers are "just and reasonable." It can exclude from the rate base any costs it determines to be unreasonable. If FERC finds the current rates to be excessive, it may order Trunkline to refund, with interest, the excess payments to consumers.

FISH STAMP PRINTS

Five hundred limited-edition prints of the brook trout painting featured on the 1984 Illinois Salmon Stamp are available for purchase. Quad-Cityans may send a check or money order, for \$105, payable to the Department of Conservation, Salmon Stamp Prints, 524 S. 2nd St., Springfield 62706. Proceeds will go into the salmon fund to help the salmonid fishery in Illinois.

Appointed research development officer

Lillian O'Neal Manning of Edwardsville has been appointed research development officer in the SUE Office of Graduate Studies and Research.

Vaughnie J. Lindsay, dean, said one of Mrs. Manning's duties is to assist faculty members in developing, writing and editing grant proposals. She also will serve as liaison between researchers and granting

agencies and will coordinate special research promotional programs.

Other duties will be compiling and evaluating data for a continuing update on foundation and corporation funding patterns as well as administering the research scholar award and summer research fellowship programs.

BOOK CYCLIST ON THREE CHARGES

After seeing an alleged fast moving motorcycle traveling north in the 1800 block of Madison Avenue at early this week, a Granite City officer halted the driver at Washington and Niebaum Avenues with the assistance of an Illinois State Police trooper.

The motorcycle operator, Charles F. Fox, 23, of Apartment 5B, Eastgate Drive, Pontoon Beach, agreed to take a breathalyzer test and was charged with driving under the influence of alcohol. Additionally, he was booked on charges of driving while his license was revoked and speeding.

Social Security Anchorage topic

President Augusta Lampe talked about problems associated with the Social Security pension system at a meeting of the Anchorage Senior Citizens Club.

Mrs. Lampe said that, in the past, Social Security funds had been placed with other governmental funds and had been used to help loans to foreign countries. She blamed this practice, among other reasons, for the current financial squeeze in the Social Security system.

She voiced opposition to proposed cuts in Medicare and Medicaid benefits. "Many senior citizens worked hard for their security and now they want to take it away from us," the president lamented.

She called the federal income tax system an inequitable means to raise revenue due to tax breaks offered business corporations. Club members were encouraged to write to Patrick Quinn, leader of the Coalition for Political Honesty. She said the organization is concerned about fairness in taxation.

In club business, Secretary Leona Bain and Treasurer Vivian Mitchell gave reports. Mrs. Mitchell announced she will begin accepting club dues Nov. 2.

Sunshine Lady Mary Ahlvers gave a report on six get-well cards sent to members.

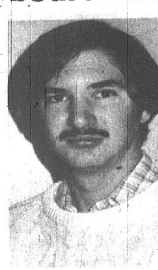

Members Alice Cruse, Carrie Durell and Edna Isham will serve on the election board.

The Business and Professional Women will host a Halloween party at 6 p.m. Oct. 21 at Anchorage Hall for club members. It was noted.

A song and refreshments honored members observing birthdays.

Members winning games were Clara Stein, Alice Cruse, Edna Isham, Pearl Bailey and Theresa Schuler.

Three seek two Venice school board two-year terms Nov. 8

MATTHEW MEEHAN

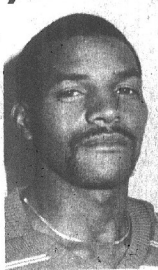

Matthew Meehan, currently serving on the Board of Education in Venice Community Unit District Three by appointment, is a candidate for a two-year board term Nov. 8.

There are three candidates for two-year terms this fall. Meehan, 24, of 623 Broadway, Venice, has been a resident of this area for the past six years. He was born in East St. Louis.

He is on layoff status at the Five Star Construction Company and is working as an American Legion bartender. Meehan is a member of St. Philip's parish and the Venice Sons of the American Legion. He is the husband of the former Babette Thea.

The candidate says he is seeking an elective board term because "I'm very interested in young people and in the educational program of the Venice district."

"My objective is to serve honestly and sincerely—to do the best job possible."

KIRK GARDNER

Kirk M. Gardner, 27, of 2104 Harrison St., Eagle Park Acres, is running for a two-year term on the Venice Board of Education Nov. 8. There are seeking two such terms.

The incumbent official was appointed to the board Feb. 7 to replace Raymond Mosby, who resigned as a board member in January 1983.

A member of Carpenters Local 633, Gardner works as a carpenter and pile-driver through the union hall. He is currently employed in this work at the Mississippi River site where a replacement Alton lock and dam are being constructed.

A graduate of a four-year apprenticeship program in carpentry, he is studying for a Belleville Area College associate degree in applied science.

Gardner is active in the Trinity Church of God in Christ. He and his wife, Ruthie, are the parents of Kirk Marion Jr. and Markus.

His reason for seeking to continue serving on the board is "to help in any manner that I can."

He proposes to "make decisions, give advice, communicate with students and faculty, and serve in community activities."

EARL HOGAN

The three candidates for two-year Venice School Board terms in 1983 include Earl W. Hogan, 37, of 221 Kerr St.

He served a three-year elective term on the board in 1977-80. A lifelong local resident, he attended St. Mark's School and Venice High School. He was born in Granite City and his family moved to Venice in 1955.

Hogan is president of the Venice Lions Club. He was a Venice city street department employee for 12 years and subsequently became a maintenance worker at ACE Industries (American Car and Foundry) in St. Louis. He is on layoff status at ACE.

Hogan served as president of the former South Venice Neighborhood Improvement Association.

The candidate advocates good schools and restraint in spending, noting that many residents are on fixed income. He is urging expansion of activities for students.

He commented, "To be a school board member in District Three, you must have regard for Venice, the schools and the children."

Hogan was a candidate for alderman in the First Ward of Venice in 1979 and 1981, losing on both occasions.

Appointed to the Venice Park Board in June 1982, he was elected to a six-year term as a park board commissioner in April 1983.

Hogan is co-chairman of the People's Organization to Save the Children of Venice.

Arabs started ostrich myth

The myth that an ostrich hides its head in the sand to avoid being noticed originated with the Arabs and was passed on by the Romans. It is based on the fact that ostriches stretch their necks straight out on the ground to sleep and, when chased, may suddenly throw themselves down flat, preferably with their head in a bush.

Madison Amvets to dedicate building

Dedication ceremonies will take place at 1 p.m. Sunday, Oct. 23, at the newly constructed facility of Madison Amvets Post 204 located at 1711 Kennedy Drive, according to Vasil Graville, commander of the post.

The affair has been the dream of the Madison Amvets ever since the post was formed in 1964. At that time it was at Danville, Ill., to accept the post charter," Graville explained.

During the day long event

there will be installation ceremonies for both the Amvets and Auxiliary with Illinois State Commander David Luttrell of Rantoul, Ill., as installing officer.

A delegation of state Amvets officers as well as local and state officials are expected to be present for the formal ceremony. National Amvets Commander Robert Wilbraham of Ohio, Senator Sam Vadalabene of Edwardsville, and Congressman Melvin Price has also indicated they plan to attend the occasion, Graville added.

Following the dedication and installation, refreshments will be served and music for dancing will be provided by the "Just Because" band.

MITCHELL BROWNIES GO TO HERITAGE DAY

Mitchell Browne Troop 321 attended Heritage Day activities conducted in Alton. The Brownies watched demonstrations of candle making, weaving and quilt writing. They also participated in pumpkin races, a tug-of-war event and sack races.

Attending were Jaime Baker, Christina Birdsong, Angela Brown, Michelle Colbert, Jody Kern, Jennifer McBride, Regina Mickell, Beth Noe, Belinda Ritchie, Wendy Rinehart, Cindy Talley and Christina Copeland. Troop leaders and helpers on the trip were Nancy Culver, Abby Daugherty, Pat Harmon, Nancy and Julie Kern and Sue Mickell.

THE LAW AND YOU

BY RICK REED
Attorney At Law

People frequently contact this office indicating they are having a dispute with another individual involving a relatively small sum of money. One possible way to resolve these matters is to take them to small claims court. In Illinois, the maximum amount that can be recovered in a small claims action is \$2,500. One advantage to a small claims case is that it can normally get to trial within four to six weeks. A major civil case, on the other hand, frequently takes two to three years to get to trial.

The original intention was that people would bring small claims cases on their own behalf without the necessity of hiring an attorney. This certainly is an option available to individuals today. As a practical matter, however, more than one-half of the people who go to small claims court do have an attorney. Needless to say, if one side has an attorney and the other does not, the person without a lawyer will be at a distinct disadvantage.

In a recent case, a man was involved in an automobile accident and sustained \$2,000 worth of damages to his car. He brought a small claims suit himself against the other driver who had struck his vehicle from the rear. He then obtained an estimate on his car from an auto body shop.

The other driver who was named as a defendant retained an attorney to represent him in this matter. The plaintiff decided to proceed to trial without a lawyer. When the plaintiff attempted to introduce the estimate into evidence, he failed to call the person who prepared the estimate to testify as to its authenticity. The attorney objected to the introduction into evidence of this document, and the judge had no alternative but to refuse to allow it. In therefore, the plaintiff could not prove his damages in this case, and he recovered nothing from the defendant, even though the defendant was clearly at fault.

This is an example of a small claims case where the party without an attorney was at a disadvantage because the other party had one. There certainly are cases, however, where it is advisable for a plaintiff in small claims to bring suit on his own behalf without an attorney. Whether an individual should retain a lawyer in a small claims case depends upon the complexity of the matter, the cost of hiring an attorney compared to the potential recovery in the case, and whether or not the other party is represented by an attorney.

New format for Press-Record Nov. 3

Starting two weeks from today, the Press-Record will have a different look.

The six column format, which has been standard on the front page since 1975, will spread to most of the remainder of the newspaper beginning Thursday, Nov. 3. Currently, most of the pages use an eight-column format.

We think our readers will like the results. Columns will be wider and, researchers tell us, easier to read. The wider columns will allow a more modular page design, leaving a crisper, less cluttered page. The classified advertising section will remain eight columns wide.

Currently, inside news col-

umns are just over 1 1/2 inches wide. Under the new format, the columns will expand to more than two inches in width.

The Press-Record is joining literally thousands of other newspapers across the United States in adopting the six-column news format throughout the newspaper.

The newspaper industry is rapidly converting to the "standardized advertising" unit (SAU) width as a convenience to advertisers, as well as to readers.

Advertisers who utilize more than one newspaper to transmit their messages should find "one size fits all" when all newspapers convert

to the SAU width.

The switch in width can create some confusion among advertisers. A two column advertisement, for example, will cost more in the six column format than in the eight column format, because it is bigger—nearly 37 percent larger. This is not a rate increase. The cost per square inch remains the same under the new format as the old format.

Prices for full pages, half pages and quarter page advertisements remain exactly the same.

Some adjustment of photo sizes will be necessary under the new format. Three column photos, now about five

inches wide, may have to be narrowed to two columns, or expanded to the new three column width of nearly seven inches.

We urge our advertisers to bear with us during this period of change and stress that we are not increasing advertising prices, but are modernizing the Press-Record and bringing it into line with a format which will be adopted by most newspapers in the United States by early 1984.

We are excited about the change and hope our readers will notice an enjoyable difference.

—Editor

VISITING SISTERS of Divine Providence watch as Millie Smith of Granite City folds sheets in the St. Elizabeth Medical Center laundry. The

Sisters were visiting here from the Order's provinces in Germany, the United States and the regions of Puerto Rico, Peru and Korea.

Further Education Nite held Tuesday

The ninth annual Further Education Nite, hosted by high schools from Roxana, Bethalto and East Alton-Wood River was conducted Tuesday night at East Alton-Wood River Community High School.

Along with Granite City students, the students and parents from Alton, Brussels, Edwardsville, Marquette and Southwest were invited.

This year, representatives of more than 60 colleges, trade schools, nursing schools and academies were in attendance to answer questions of students and parents. Some college representatives presented their information at tables in the courtyard browsing area, while others elected to use private classrooms. There also were special programs on financial aid and computer careers.

Those colleges in attendance included: Augustana College, Bailey Technical School, Barnes Hospital School of Nursing, Blackburn College, Bradley University, Cardinal Newman College, Central Methodist College of St. Francis, Culver-Stockton College, Deaconess Hospital School of Nursing, Drake University, DeVry Institute of Technology, Eastern Illinois University, Eureka College, Fontbonne College, Glen City College, Greenville College, Hannibal-LaGrange College, Harvard and Radcliffe, Illinois Benedictine College, Illinois State University, Illinois Wesleyan University, Knox College, Lewis and Clark Community College, Lincoln College, Loyola University of Chicago, Luther College, Medical Center, MacMurray College, Maryville College, McKendree College, McKendree College, Missouri Baptist College, and others.

EXPERT APPRAISING MORRIS REALTY CO. 876-4400

Psychiatric nurse grant

The SIUE School of Nursing has received a grant from the National Institute of Mental Health through its clinical training and manpower development program. The grant is for a clinical training project in psychiatric nursing for undergraduates. The 1983-84 award is for \$51,428.

Overall purpose of the project is to increase the number of nursing graduates entering careers of psychiatric nursing practice in public mental health services or nursing homes in Southern Illinois.

Roslyn K. Sykes, project director and assistant professor in the School of Nursing, said the project will offer yearly workshops to nursing personnel in long-term care facilities to upgrade

their skills, develop a new course for senior and graduate nursing students which will focus on severely disturbed and the chronic mentally ill, and offer 10 internships to nursing undergraduates.

Director Sykes said, "Internships are being awarded in long-term psychiatric units, nursing and boarding homes, and outpatient settings. We want students to rotate through all three to give them an idea of what's going on in all the agencies dealing with the mentally ill."

Student interns will receive tuition and a stipend for eight weeks of training. The first thing we do in psychiatric nursing class is to undo some of the students' misconceptions and stereotypes about psychiatric nursing. If more students can have a personal experience in the field, we believe we will consider it as a career choice."

Sonya Bennett gets mathematics award

Sonya Bennett, of Madison, was one of 72 recipients of scholastic achievement awards from Illinois State University. Miss Bennett received her awards in mathematics. Funding for the scholarships was provided by gifts made to the university through the ISI Foundation by alumni, parents, faculty, staff, corporations and other friends.

Also, 14 students have received Illinois State University's highest academic distinction by being named Bone Scholars. The award is named in honor of Dr. Robert G. Bone, Illinois State president from 1956-67, and carries a cash award of \$100.

The Foundation-Alumni Distinguished Scholars awards, which were previously announced, have a cash value of \$5,000 over four years to the high school years for the community college scholars. Other awards were \$250 for the 1983 National Merit scholars and \$200 for the academically talented student scholars.

Pennekamp talks to Willing Workers

The next meeting of the Willing Workers of America will be held on Oct. 22 at 10 a.m. in the Tri-City Area Y.M.C.A.

The guest speaker will be Joe Parente, administrative coordinator for Madison County Community Development.

At its September meeting, conducted by president Siever Ortiz, the group listened to Jim Pennekamp, executive vice president of the Tri-City Area Chamber of Commerce.

Pennekamp's major concern is trying to lure new businesses to the area. He stated that working conditions were not going to change over night and mentioned A. O. Smith and the quest to bring such companies back to this area.

Ike Pasley, WWA vice president, was unanimously voted chairman of the turkey shoot, a fund-raising drive.

For further information about the last meeting or on upcoming events, persons should contact Brenda Derby at 876-2305.

Cahokia Mounds hike Saturday

Area residents are being invited to explore the natural resources of the Cahokia Mounds and the remarkable remains left behind by their builders.

This 4 1/2 mile hike, starting at noon Saturday, will explore both the mounds and the features of the Mississippian Culture of Prehistoric Cahokia and the natural resources, which made this city possible. There is no charge.

It is suggested participants bring an insect repellent, suitable shoes for hiking, and a canteen or thermos. They may go early to visit the museum and see the slide show.

Visitors may meet the group by the reconstructed houses located behind the museum.

In case of rain, it will be rescheduled for Saturday, Oct. 29, at noon.

SEMC plays host to delegates

St. Elizabeth Medical Center recently played host to delegates of the Sisters of Divine Providence international exchange program.

Members of the international group represented the Order's provinces in Germany, the United States, and the regions of Puerto Rico, Peru and Korea.

Through the international exchange program the Sisters are able to share cultural differences and learn from one another how each province incorporates the holy teachings into its everyday existence.

Former resident wins 3 ribbons

Tom Mathis, 14, former resident of Granite City, won three first place ribbons in dairy showmanship with his Holstein, Pansy, at the Allen County fair held recently. Mathis won first place in Class A Junior Fair, Junior Champion Holstein and Reserve Grand Champion.

He competed with 32 other fairgoers.

Mathis is the son of Bill and Sherry Hubbard, 412 S. Main St., Spencerville. He is the grandson of Mildred Cumbe of Madison.

Thomas Schooley joins law firm.

Thomas E. Schooley, son of William Schooley and Mrs. Marilyn Schooley, is now an associate of his father's law firm at 2008 Edison Ave. It was announced this week.

The newest member of the firm is a lifelong resident of Granite City. He graduated in May 1983 from the St. Louis University School of Law and successfully passed the Illinois Bar examination in July of this year.

Before law school, Thomas Schooley attended the University of Illinois on a football scholarship where he lettered three years. He graduated from there in 1980 with a bachelor of arts degree, majoring in American History.

THOMAS SCHOOLEY

LOOT PURSE

Shirley Jordan of Madison told police at 3:30 p.m. Monday that a total of \$70 and a driver's license were stolen from her purse, which was in the staff restroom area at Colonial Haven Nursing Home, 3900 Stearns Ave.

CASH MISSING

A \$50 bill and a carton of cigarettes were stolen from the apartment of Karen Katzman, 2500 Washington Ave., she reported at 8:15 p.m. Tuesday.

You are invited to see and hear America's leading Christian authority on the family.

Homecoming traditions continue at GCHS

Homecoming Week, the tradition filled week during the latter part of October, will again be celebrated at Granite City High School beginning Oct. 24. Activities will include several performances of the Homecoming play "West Side Story," presentation of the Homecoming king and queen and their court after each performance, a Homecoming parade and, of course, the traditional Homecoming football game. The GCHS Warriors will do battle against Northwest, Mo., on Friday, Oct. 28 at Memorial Stadium on Fehling Road, culminating the week of activities.

Photo at right — Sure to be on the sidelines cheering for the Warriors will be the Homecoming queen, selected from these senior girls, and her court. In the front row, from left — Darla Bolt, Kim Dickey, Pam Dudak and Lisa Harrell. Second row — Machele Broadwater, Kim Smith, Lauri Machino, Christine DeRuntz and Patty Burch. Back row — Sharon Blankenship, Joelle Kalecki, Angie Durbarow and Lora James. Not available for the photo was Becky Jackson.

Bottom photo — In a football-like stance, the male members of the Homecoming court, from which the Homecoming king will be chosen. In the 'front line,' from left — Eric Goff, Greg Dioneda, Bob Ficker, Dan Whitsell, Matt Sheridan and Troy Moore. In the 'backfield' — John Kindel, Nathan Crane, Mike Sikora, Tom Adomitis, Bob Hubbard and Jim Fuhrman. Not pictured is David Lipe.

Although there is no Homecoming Week soccer game, the GCHS Warriors will be hosting the IHSA regional soccer tournament during the week, with the finals on Thursday, Oct. 27.

INVOLVED IN NATO EXERCISE

Army Staff Sgt. Stephen C. Dickerman, son of Harold J. Dickerman, 4720 Warnock Ave., was involved in a NATO-sponsored exercise

by participating in the Army's return of forces to Germany (REFORGER) and the Air Force's Crested Cap exercises.

The exercises are designed to develop uniformity of

doctrine, standardize procedures for rapid response to a crisis and demonstrate solidarity in commitment to NATO goals and objectives.

Dickerman is a helicopter repairman with the Third

Armored Division in Erlensee, West Germany. He is a 1971 graduate of Granite City High School.

Hearings on education

A series of statewide meetings to seek public input on the status of education in Illinois started this month by the Illinois Commission on the Improvement of Elementary and Secondary Education.

The first meeting was held last week in Springfield at the State Capitol Building, Room 212, from 1 to 4 p.m., to allow representatives of statewide organizations to voice their concerns about education. At present, 11 meetings are scheduled through March 1984.

Using national reports newly released on education as a basis for discussion, the commission will focus on the following themes to obtain information from the public:

- How adequate are the state's expectations for instructional standards and pupil performance across all ages?
- How should time in school be specified to assure effective instruction and meet our expectations?
- How can we recruit, educate, retain and reward more good teachers and educational administrators?
- How can we assure that our schools are adequately preparing youth for higher education and/or the public-private employment sector?

Even though specific topics have been assigned for each commission meeting, individuals may discuss other educational issues that are of concern to them.

The commission was created this summer by Senate Joint Resolution 61 that directs it to study problems related to elementary and secondary education, to explore ways to improve education, and to report findings and recommendations to the General Assembly by Oct. 1, 1984.

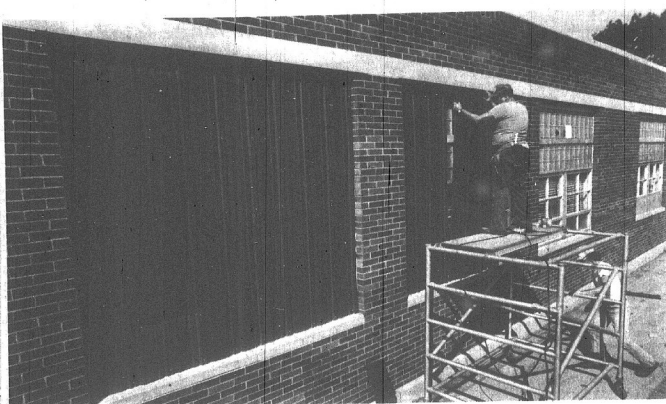

The State Board of Education is responsible for providing staff assistance to the commission.

Co-chaired by Sen. Arthur L. Berman and Rep. Richard T. Mulcahey, the commission is composed of 20 members. Six are state representatives, six are state senators and eight are from the general public.

Persons interested in presenting testimony at commission meetings may contact Gail Lieberman, 100 N. 1st St., Springfield 62777 or telephone 217-782-0342.

Meetings will include:

- Nov. 10, 9 to 11:30 a.m., Lake County Area Vocational Center, 19525 W. Washington St., Grayslake. Open discussion on vocational education.
- Nov. 30, 9 to 12:30 p.m., Student Center, Southern Illinois University at Carbondale. Open discussion on higher education and teacher preparation.
- Dec. 13, 7 to 9 p.m., Glenbard South High School, Glen Ellyn. Open discussion with community individuals.
- Dec. 14, 9 to 11:30 a.m., Glenbard South High School. Open discussion on curriculum and program needs.

SECURITY PRECAUTION. Lyle Tempel, a Granite City School District employee, places a steel panel over windows at the rear of Nameoki School on Pontoon Road. Several of the

schools which were vacated by the school district last spring are being enclosed with the brown panels to eliminate vandalism to both the interior and windows.

(Press-Record Photo by Patrick Foley)

'Snowball' weekend Oct. 28-30 in Pinckneyville

The sixth Region IV Operation Snowball weekend — spotlighting ways to curb drug and alcohol abuse — will be held Friday, Oct. 28, through Sunday, Oct. 30, at Camp Sallateeska, Pinckneyville.

High school students are invited to attend Operation Snowball in order to "learn about themselves, to learn how they can help others in their own communities, and to learn about important life issues."

The educational and peer leadership training program is founded on the belief that every human being has the capacity to make sound decisions regarding his or her life, based on accurate information and an understanding of one's self and motivations.

Purpose of Operation Snowball is to bring together professional resources and teenagers from the counties of Madison, St. Clair, Monroe, Washington, Clinton, Bond and Randolph to share information, explore issues, and examine feelings about alcohol and other drug misuse and related life problems.

Operation Snowball began through the efforts of a group of Northwestern Illinois teenagers who had attended the Illinois teenage Institute on Substance Abuse (called ITI).

ITI has been the focus of nationwide attention for its effectiveness in preventing alcohol and other drug abuse.

The teenagers wanted to make their ITI experience available to other teenagers in their community. The program began with the help of interested adults and then "snowballed" into a statewide network.

There currently are 30 franchised Operation Snowball chapters across Illinois. ITI and Operation Snowball are programs of the Illinois Alcoholism and Drug Dependence Association.

Any teenagers who are interested in participating in

Operation Snowball, or any adults who wish to sponsor a teenager, may call Debra Bozzardi at Piasa Health Care in Collinsville, 345-5206. Cost of the weekend is \$60, which includes lodging, meals, materials, transportation to and from the camp, and a tee shirt.

Transportation will be provided from Piasa Health Care's Collinsville office at 1315 Vandalla St. For more information, Quad-Cityans may call 345-500 or write: Region IV Operation Snowball, Piasa Health Care, 1315 Vandalla St., Collinsville, Ill. 62231. 676-4400

Port board awards contracts

On the recommendation of port district engineer Jerry LaVelle, the Tri-City Regional Port District Board has awarded the contract for the truck scale reconstruction project to the Korte-Plocher Construction Co. of Highland, Ill., one of two bidders on the work.

The low bid of \$6,245 was more than \$500 less than the bid of \$6,763 by the C. D. Peters Construction Co. of Granite City.

The work includes removal of 4.4 square yards of defective deck, the application of epoxy adhesive to the affected area, replacement of the concrete deck to its original condition and chemical treatment of the entire truck scale deck.

The only bid received by the district for snow and ice removal on port district roads during the upcoming winter season also was offered by LaVelle.

C. D. Peters was the lone bidder for the seasonal work, which includes materials, labor and equipment needed. LaVelle was instructed by the board to do a comparison with the contract awarded last year to C. D. Peters for the work and to report at the next regular meeting of the board with his recommendation.

In other business, the board unanimously approved a resolution ratifying and accepting a contract with Dean Worth for engineering work totaling \$42,270. The work covered

contract was in connection with the \$1,300,000 truck dump and storage area. ED&A (Economic Development Administration) project. Port District General Manager Carl Rant gave a brief report on the National Waterways Conference he attended recently. He has been elected to another term on the waterways board. Rant also informed the board members of an Illinois trade mission to Japan this month and reported on his trip in coordinating a possible trip to Japan sometime in 1984 to promote the local port and foreign trade zone.

ing, officials indicate the home is worth the larger figure, a discussion showed. But board members cited the current recession and the fact that homes have been available several months without a buyer coming forward.

The board accepted a bid from the Luaders Agency to coordinate sales efforts for the home. The agency will charge a six percent sales commission.

Reality World Star, with staff, is the only proposed open house, selling attempts and a seven percent commission.

The home is one of a number constructed over the years by high school building trades students. Another residence is in initial construction.

Boxing builds character during formative years

By BELINDA CONLEY
of the Press-Record

Boxing builds character. It's an old line, but true according to Merce Mendoza, coach of the Mexican Honorary Commission Boxing Team. Mendoza and MHC have been in the business of building character for five years now.

Mendoza, a Granite City native who was a successful amateur boxer and Midwest Golden Gloves champion when he was younger, is the MHC coach and co-founder. In 1979, Mendoza, Joe Becerra and Bob Galvin, had the idea to bring boxing back to Granite City.

"Boxing was picking up in St. Louis. We talked about it for a while, and MHC decided to sponsor a team in Granite," said Mendoza. MHC donated funds for equipment, and practice began at the Lincoln Place Community Center in the autumn of 1979.

About 120 enthusiastic youths originally signed up, but after only two months half of them had dropped out. In another two months, only 25 or 30 boys of the original 120 remained. Boxing not only builds character, it also separates the men from the boys, Mendoza said.

"You really have to like it to stick with it. A lot of kids are really enthused, but when they put those gloves on it separates the ones who really are enthused from the ones who just thought they were."

There are still 25 or 30 young men participating in the program regularly now. They range in age from 7-25 years old, but they all have one thing in common, dedication.

Mendoza encourages his boxers to train, but doesn't feel the need to put them under the gun. They are hard workers and don't need to be motivated.

"No one is ever put under any pressure. I don't insist that they make

"No one is ever put under any pressure. I don't insist that they make every practice, they won't be kicked off the team if they miss practices, but I won't put anyone in the ring who isn't ready."

Merce Mendoza
MHC boxing coach

every practice, they won't be kicked off the team if they miss practices, but I won't put anyone in the ring who isn't ready."

Getting young boxers ready to fight is a task that requires as much dedication from the coach as from the boxers.

"It does take up a lot of my time, but I enjoy working with the guys and preparing them to get in the ring."

The MHC boxers practices Monday through Thursday, from 7-9 p.m. in two small, old rooms in the basement of the Lincoln Place Recreation Center.

The workouts are carefully organized to make sure everyone gets proper training and supervision. The workout begins with about 30 boys crowding into a one of these small, dingy rooms to do calisthenics.

After the calisthenics the boxers begin punching, weaving and snorting at anything—the air, the wall, or their reflection in a mirror. This ritual, shadow boxing, closely resembles a native tribal dance.

After three rounds of shadow boxing, the boys are divided into small groups, and under the supervision of Mendoza and coaches Roger Bloodworth and Clarence Saddler, each group goes to a station such as the speed bag, heavy bag, jumping rope, or sparring.

Weight training is not emphasized in

the program, because Mendoza believes in "the old theory that tight muscles are not conducive to boxing."

"Some of the guys do work on legs and hips in the off season, but I don't like to see them building their upper body. A lot of bulky muscle will just slow them down."

Instead of weight lifting, training leans towards cardiovascular exercises such as running and jumping rope.

The training regimen is another reason that many boys drop out of the program.

"Often the boys who are very athletic, like the runners and wrestlers, can't handle it. And, a lot who weren't successful at other sports turn out to be good boxers. Boxing just requires a different kind of conditioning than other sports," Mendoza said.

Some very good boxers have come out of the MHC program in the five years it has existed, the most notable being former Golden Gloves champion Danny Mendoza.

Mendoza started boxing with MHC when the program first started. After winning the Golden Gloves championship Danny gave up boxing to go to school and play soccer in Huntsville, Ala.

Danny Mendoza is now back with the

MHC program, and though he is the most accomplished, Coach Mendoza believes that there are other promising boxers in the program. Among those he feels are the best are Chip Hagmann, 16, Steve Gancheff, 19, and Brian Basore, 22, who has been with the program since it's beginning.

Dave Wilson, a 24-year-old newcomer, won his first match last week and seems to have a lot of talent.

Some younger boys who also look promising. They include Derek Bloodworth, Terry Davis, and Joe Kostoff, all 12 year olds.

Mendoza doesn't keep any club won-lost records, but said that they hold their own at club fights in St. Louis and also at the Junior Olympics and Silver Gloves competition. The Junior Olympics and Silver Gloves are tournaments for boys 15 and younger.

MHC's season runs September through April and consists mainly of club fights and tournaments. Club fights are held by different boxing clubs, such as MHC, in the St. Louis area and young boxers are invited to compete.

The purpose of these club fights is two fold. They are used to raise money, but the main idea is to give the boys the experience needed to compete in tournaments.

MHC also participates in tournaments such as the Silver and Golden Gloves competitions. However there are fewer tournaments than club fights. While MHC participates in one or two club fights a month, they compete in only six tournaments.

What all this comes back to is "building character." And what builds character is the knowledge that, unlike a player on a team, the boxer is almost completely on his own.

In Mendoza's words, "When you're in that ring and you haven't trained, no one feels it but you."

IN TRAINING. Danny Mendoza, foreground, and Derrick Bloodworth, two Mexican Honorary Commission boxers shadow box during a workout earlier this week at the Lincoln Place Community Center. The two boxers, varying in styles and size, train almost daily in preparation for an upcoming MHC fight.

Tuesday Afternoon

Kickers clip Crusaders: secure GEC soccer crown

By ALAN L. GERSTENECKER
Sports Editor
of the Press-Record

GRANITE CITY — Granite City High School soccer coach Gene Baker believes it's never too late to learn.

For that reason, Baker benched nine of his regular starters Tuesday against the Gateway East Conference rival Althoff. Back Mike Houston and goalkeeper Jeb Blasingame were the only two regular starters who began Tuesday's game.

Instead of the other starters, Baker played capable underdogs who proved to have what's needed to win as they defeated Althoff 3-2.

The victory, Granite City's second 3-2 win over the Crusaders this year, neatly secured another Gateway East Conference soccer championship for the Warriors.

"We're real happy with the win," Baker said. "I was happy because we came from behind to win."

Baker praised four athletes for their efforts — Blasingame, Houston, Dave Baggett and Todd Adams.

"Jeb played a great game for us in goal," Baker began. "Houston gave us the leadership we needed and Baggett and Adams also played strong."

Baker's decision to bench the Granite City starters was not a disciplinary action as much as it was for instructional purposes. With his starters on the bench and willing teaching aides on the field, Baker openly talked strategy and techniques.

It was Baker's attempt to to refresh his Warriors to soccer basics without necessarily putting them in a game situation.

In few words, Granite City had to muster on the skirts lately and this appeared the only way remaining to stress the importance snapping the Warrior tailspin.

Prior to Tuesday's game, the Warriors had not scored in three games, and with regulars beginning this weekend, the Warrior coaching staff had reason for concern.

In the Chicago Sting High School

Newsletter, for example, the Warriors have fallen from the top spot in both the coaches' and writers' polls. Evanston, a team which reached the state tournament last year, has claimed top honors.

Sidelining the Warrior starters accomplished two things. First, it was Baker's final attempt to prompt his players into playing more cohesively, team-oriented soccer. As Granite City met the Crusaders on the last regular season game, time was running out.

Sidelining his athletes seemed to be his only alternative.

The other benefit of the game was more obvious. It gave the younger athletes valuable varsity game experience, something they may not see in post-season action.

The Warrior underdogs were the first to score. At 6:34, Baggett, a junior forward, put Granite City on top as he beat Althoff's goalie Dan Whelan with a low, driving shot. Baggett's unassisted goal stood for more than 30 minutes before Althoff's Chris Braxmeier scored in the opening seconds of the third quarter.

The Warriors dominated the first quarter and most of the second quarter until the waning minutes of the first half when the Crusaders began to muster on its own offense.

Five minutes into the second quarter, at the 15:16 mark, Houston nearly scored on a penalty kick. Houston's shot, from 20 yards out, sailed just high and to the right.

The Warriors threatened again at 17:55 as Chris Kahn's shot necessitated another Whelan save.

Granite City continued its assault in the second quarter as Derek Merz's

crossing shot from the right wing missed just left.

As the minutes waned in the second quarter, Althoff's offense played with increasing intensity. By halftime, ball control was nearly even.

Fifty-four seconds into the second half, what had been developing late in the second quarter happened. Althoff scored.

At 19:06 Braxmeier, the Crusader's little speedster, took a pass that cleared the Warriors' defense and drove right at Blasingame. His shot, from about 15 yards out and to the left, beat the diving Blasingame.

Less than a minute later, Braxmeier threatened again. On a shot set up from the corner, Braxmeier attempted another shot at Blasingame. He pivoted and appeared ready to shoot. Just when he was ready to pull the trigger, Frank Soellner cleared it away.

At 24:28, the Warriors were not as fortunate to have Soellner to clear a would-be goal. Following a penalty kick, which had apparently been cleared, Belleville's Chris Lanter slapped a shot towards the Warrior goal. Blasingame responded to the shot, but Rich Reinger's deflection changed the course of the shot enough to prevent a Blasingame save. Althoff took a 2-1 lead.

Althoff's lead lasted for less than four minutes. At 28:22, Adams and Joe Gray teamed to beat Whelan at goal. Gray set the shot up and Adams settled and fired to tie the game. Basic soccer.

Ninety seconds later, with just 10 seconds remaining in the third quarter, the resurging Warriors battled back on top. Scott Blason beat Whelan to the right side of the goal. A double assist went to Adams and Dennis Gaudreau.

In the fourth quarter, with the Warriors on top 3-2, Baker began substituting some regular starters. The underdogs had proven themselves.

Now it was the varsity's turn.

The Warriors, although they didn't score in the fourth quarter, played well. Regulars Scott Grote, Sam Tate and Brent Cook entered the game at the 64-minute mark. Two minutes later, Baker sent Troy Moore in. In another two minutes, Greg Gobble's shot from the left wing just missed. It was the Warriors best scoring opportunity of the quarter.

Tuesday afternoon, Baker's strategy worked. The Warriors broke their scoreless streak and in doing so clinched their conference title again. Despite Tuesday's victory, Baker won't know if his tactics were a total success until next Thursday, when the Warriors face either Cahokia or Madison in the regional championship. See related story for regional pairings.

Petri optimistic after second L&C game

By MICHAEL BARTELS
of the Press-Record

GRANITE CITY — Last time the two teams met, the final score was 7-0. This time it was only 3-0.

Of course, a loss isn't as good as a win, unless some of value can be learned from it.

True, the Granite City Stars dropped their fifth conference game of the season to 10th ranked Lewis and Clark 3-0. But also true is that for the last 75 minutes of the game, GCC played shutout ball.

There's something substantial coach Larry Petri thinks his team may have gained from their second loss to Lewis and Clark is that they can play the same brand of soccer as the nationally ranked clubs.

"They didn't know if they could play with this team," Petri said. "After they found out they could, they did the job."

That job was limiting Lewis and

Clark to only three bona fide shots on goal. And on five different occasions, had the finishing touch been there, the Stars could have put some numbers on their own scoreboard, but they didn't.

What killed the Stars Tuesday afternoon was their start.

"We started a little slow and they were on fire," Petri said. "We were shy and timid at first."

The first goal against Granite City goalie Joe Lemaster came on an indirect free kick in front of the goal. The defensive wall was slow in getting set up and Lewis and Clark's Mike Reid quickly nailed a shot into the far left side of the net.

The second goal was off of another indirect kick, this time on a header pass to Steve Stocker who ended up beating Lemaster one on one.

But after the third Lewis and Clark goal, scored incidentally after a collision between Lemaster and teammate Don

Pokorny, the Stars got serious about their defense. They needed to.

"Their three goals were all defensive mistakes," Petri said. "Against good teams, you can't make them. It comes down to who wants it the most."

But discouragement is what Petri feels at this point. He thinks his team has learned something about the game about themselves.

"The final of the contest, win or lose, says something about the makeup of the team," Petri said. "We found out we could play with them. I think that will make the difference in the third outcome."

That third contest could come about if the Stars, sure to make the number two seed in Region 24, can win their first game. They would then face Lewis and Clark for the regional championship.

Petri said for that meeting he hopes to have one defensive element he has lacked in their last two meetings: Stopper back Rob Loehr.

In Highland Netters begin sectional play Friday

HIGHLAND — Granite City High School girls' tennis team will begin post-season play here Friday at 2 p.m. in the Highland High School Sectional Third and final round action will resume on Saturday at 9 a.m.

Representing the Warriors in post-season singles play will be Angela Pinkston, first singles, and Beth Suess, second singles. Both are juniors.

Playing doubles for the Warriors will be Dina Lombardi and Sherri Ousley, first doubles, and Maria Parra and Dawn Schwartz, second doubles. Of all six Warriors competing this weekend, only the Lombardi and Ousley duo were seeded, eighth doubles.

Getting the nod for first doubles in the tournament was Angie Sloes and Deann Scherff of Edwardsville. Second seeded was claimed by Highland's

Sherri Sanvi and Michelle Fornelli.

The third doubles seeded went to another Highland duo, Sherri White and Stacy Truffell.

Of the top three seeds in singles competition, Highland also claimed two. Seeded first was Cathy Schiuto of Triad, while the second and third seeds went to Meredith Heideman and Michelle Riggs respectively of Highland.

In singles competition, Pinkston received a bye in the first round and will meet Heideman in the second round.

Granite City's other singles player, Suess, also has a first round bye and will meet Madison High School's second singles player, who is yet to be named.

In doubles action, the Lombardi-Ousley duo will have a first-round bye

and will meet Roxana's Jodie Panesque and Kelly Clendenny. The other doubles team of Parra and Schwartz, will meet Bethalto's Rhonda Mouser and Carol Edmonds in the first round.

Tuesday afternoon, in the Warriors final match of the season, Belleville East downed the Warriors 6-1. Pinkston, playing third singles, avoided the Warrior shutout with a 6-3, 6-2 victory over the Lancer's Debbie Toenjes.

The loss dropped Granite City's season record to 6-4.

This weekend's Highland Sectional will be played at both the High School tennis courts and the park's courts. To get to Highland, it's best to take Interstate 270 to Illinois Route 145 (the Highland-Marine exit). Go right for five miles toward Highland. The high school is visible from 143. It's on Troler Road.

In Volleyball Spikers avenge earlier loss to Tigers

By PAULA WISE
of the Press Record

GRANITE CITY — Monday, the Granite City Warrior volleyball team avenged an earlier season loss to Gateway East Conference rival Edwardsville, defeating them 15-9, 15-3.

In the first game it appeared the Tigers would repeat their victory as they jumped to a quick 4-0 lead.

However, Warrior Michelle Morgan was not hanging to let that happen. She served eight straight points to give her team a 6-4 advantage. Lisa Lilley and Tammy Jones helped Morgan out, each having two spikes for points.

Edwardsville pulled within two before Lilley and Vicki Smith combined to make the score 10-4.

Again Edwardsville moved to within two points before Granite City got the ball back.

Anne Pulse and Debbie Brandt then served the Warriors to a 12-6 lead.

Edwardsville managed to get one more point before the Warriors went on

to a first game victory 15-9.

In the second game, again the Tigers struck first, jumping to a 2-0 lead. Lilley put her team on top with three straight serves, including one ace. Vicki Smith, who has become an ambidextrous spiker, contributed an excellent left-handed spike for the third point.

The score moved to a 4-4 tie before Morgan served seven straight points to give the Warriors a 11-4 lead. Lilley helped out her teammate, spiking four of those points out of reach of the Tigers.

Edwardsville managed one more point before an off-speed spike by Lilley got the ball back for the Warriors.

Kim Muehlil added an ace serve to make the score 12-5. Lilley and Brandt combined serving and spiking to give the Warriors their last three points and the victory 15-5.

Coach Wilma Schulze was pleased with her team's conference victory.

"The setters really clicked

tonight," said Schulze.

"The hitters are also starting to become more consistent. They are starting to mix up their hits instead of just relying on their power," she added.

Schulze was surprised by Edwardsville's lack of offense.

"The last time we played them they really ran their offense. This time their offense was much weaker," said Schulze.

The Warriors downed Belleville East Tuesday night 15-2, 15-13.

The Warriors will host Roxana tonight in their final regular season game.

Granite City will be hosting the regional tournament starting Tuesday.

East St. Louis Senior, seeded first, will meet Cahokia, seeded fourth, in the first game. The Warriors, seeded third, will meet second seeded East St. Louis Lincoln in the second match. The winners will meet Wednesday in the finals.

FIRST SINGLES. Angela Pinkston displays the style which she hopes she'll carry with her to the Highland Tennis Sectional this weekend. Pinkston, one of six Warrior girls to

compete in post-season play, will represent the Warriors in first singles competition. The Sectional begins Friday and will conclude on Saturday.

Finish Second in Sectional Tigers advance to state golf tourney

EDWARDSVILLE — The Edwardsville High School golf team, which finished second last week to Belleville West in the O'Fallon Regional, proved it had what it took to beat the Maroons Tuesday afternoon in the Edwardsville Sectional.

The Tigers, who finished 12 strokes behind the Maroons in last Thursday's O'Fallon Regional, put it all together Tuesday to finish second in their own sectional tournament. Springfield edged the Tigers by one stroke to win the sectional. The Maroons finished a distant fifth.

Both Springfield High and Edwardsville will advance to the State Golf Tournament this Friday and Saturday

at Kellogg Golf Course in Peoria.

This weekend's trip to the state tournament is the ninth in 15 years for the Tiger golfers. Edwardsville's best finish came in 1974 when they finished fourth. Last year, the Tigers finished sixth.

The gold medalist in the Tuesday's sectional was Scott Horton of Springfield-Lanphier who shot a three-over-par 73.

The Tigers' ace, Alex Vandiver shot a 77, followed by Hal Patton at 78, John Beatty who shot a 79, Chris Scheibel who carded an 80, Jeff Hyten an 82 and Rich Donner who posted an 86.

In addition to Springfield High and Edwardsville, 10 other teams will advance to the state tournament — Deerfield High, St. Viator, Rockford, Guilford, McHenry, Wheaton North, Aurora-Marrison Academy, Rockport Central, Joliet Catholic, Moline and Danville.

The Warriors were eliminated from competition last week in the O'Fallon Regional (see related story).

SECTIONAL TEAM SCORES

Springfield	313

Highland	318
Springfield-Lanphier	319
Belleville West	325
Springfield-Griffin	332
Benton	335
Mt. Vernon	351

In O'Fallon Golf Regional Warriors eliminated from post season

O'FALLON — The Last Thursday, at Tamarack Golf Course, was a disappointing finish to an otherwise successful golf season for the Granite City High School clubmen.

Belleville West was the regional's big surprise as the Mighty Maroons won with a 306, 12 strokes ahead of favored Edwardsville and seven ahead of third-place Highland. As a result, the Maroons, Tigers and Bulldogs advanced to Tuesday's Edwardsville Sectional.

In addition to the three teams, six individuals also advanced to sectional play — Todd Pollock, Mascoutah, 75; Greg Mormino, Wood

River, 77; Dave Catalano, O'Fallon, 78; Keith Nye, Belleville East, 78; John O'Leary, Mascoutah, 78; and Jim Fogarty, Altoft, 78.

Edwardsville's Alex Vandiver, who shot a three-over-par 74, was the regional's gold medalist. For Granite City, John Tackett shot an 80 but failed to advance to sectional competition. Golfers needed at least a 78 to qualify.

The Warriors ended their regular season 15-10.

REGIONAL TEAM RESULTS

1. Belleville West, 306; 2. Edwardsville, 318; 3. Highland, 319; 4. Mascoutah, 319; 5. O'Fallon, 325; 6. Granite City, 333; 7. Belleville East, 335; 8. Wood River, 336; 9. Altoft, 337; 10. Altoft, 340; 11. Roxana, 363; 12. Collinsville, 366; 13. E. St. Louis, 367; 14. Lincoln, 401.

Harriers win in Mascoutah

The Granite City high school girls' cross country team picked up yet another invitational title this week when they finished on top in the six-team field at Mascoutah.

The Warriors placed all seven harriers in the top 25 to take top honors and edge rival O'Fallon by nine points, 43-32.

Lora Wiser, Granite City sophomore, continued to lead the Warrior runners with a course record as well as first place in a time of 12:08.

Michelle Shoemaker and Sheila Noel ran the two-mile course neck-and-neck, finishing in seventh and eighth place only one second apart. Shoemaker was clocked at 13:07 while Noel came in at 13:08.

Kim Ames ran a time of 13:37, good for 11th place and Angie Grabowski finished in 13:58, fast enough for 16th place.

Fay Patton finished in 14:21, good for 22nd place and Dawn Young clocked a 14:24 for 23rd place.

Mt. Vernon finished in third place with 67 points and Belleville East scored 103 points, good enough for fourth.

Warriors get bye into regional finale

By ALAN L. GERSTENECKER
Sports Editor
of the Press-Record

When a high school soccer team has a reputation of being a powerhouse—as Granite City—the sun always seems to shine. When that team automatically gets a bye to the championship game of a post-season regional, there's more than the sun shining. They must be living right.

Due to the misfortune of the Assumption High School Pioneers, the Warriors have just that—a bye into the regional championship.

Granite City, Cahokia, Madison and Assumption were slated to begin competition in Regional C of the Edwardsville (SIUE) Sectional this weekend. Granite City was to meet Assumption at the Gauntlet, while Madison and Cahokia would battle it out in Cahokia. Everything seemed set.

That was until last week when Assumption decided to cancel its soccer program for the remainder of the season.

Claiming injuries and decreasing numbers, Pioneer Athletic Director Jim Monken said his school's only solution was to cancel the remainder of the season and forfeit its regional berth.

"We really didn't have any choice," Monken said. "Our numbers dwindled so badly that frankly, we didn't have enough players to put on the playing field. Some players quit, others injured—it was just impossible for us to compete."

The Pioneers, 8-24 during the last two years prior to the cancellations, never fielded another soccer field, Monken said.

"The school wanted a team. Some of the younger kids coming in wanted a team. But it's just a matter of numbers. We're trying to spread the athletes too thin," Monken said. "There won't be a

soccer team at Assumption next year, probably never again."

As a result of Assumption's cancellation and its regional forfeiture, Granite City, the regional top seed, will face the winner of the Madison and Cahokia matchup next Thursday, Oct. 27, at the Gauntlet for the regional championship. It will be the Warriors' only regional contest.

Madison, seeded third, and Cahokia, seeded second, will vie for the right to meet Granite City in the championship game as they battle this Monday, Oct. 24, in Cahokia at 4 p.m.

In the three other regionals feeding the Edwardsville Sectional, Belleville East, Collinsville and Alton-Marquette are favored to advance.

In Regional A, the Lancers are seeded first in front of second-seeded Alton, third in second-round action, and fourth-seeded Waterloo-Gibault and fifth-seeded Waterloo High.

In first round action, on Oct. 22, both Waterloo schools will square off at Gibault. Playing times are not scheduled by the Illinois High School Association and are left to the convenience of the two participating teams.

On Monday, the winner of the Waterloo game will face the top-seeded Lancers at Belleville East. A starting time of 4 p.m. has already been agreed upon.

At 6:30 p.m., West will meet second-seeded Alton in second-round action. The winner of that game will meet the winner of the East-Gibault match in the regional championship on Thursday, Oct. 27.

In Regional B, Collinsville is seeded first followed by Triad, second; O'Fallon, third; Lebanon, fourth and Highland-St. Paul seeded fifth.

The regional will get underway this Saturday as St. Paul and Lebanon square off at 11 a.m. in Lebanon. The

winner of that game will meet the Kahoks at 7 p.m. on Monday, Oct. 24, in Collinsville.

Prior to the Kahoks' second-round matchup on Saturday against either Lebanon or St. Paul, Triad and O'Fallon will do battle at 4 p.m. in St. Jacob. The winner of that contest will advance to either Collinsville, St. Paul or Lebanon for the regional championship.

In the fourth regional, Regional D, Edwardsville Senior, seeded fourth, and Wood River, seeded fifth, will meet this Saturday at 2 p.m. at Southern Illinois University at Edwardsville's Cougar Field. Also on Saturday, third-seeded Roxana will host sixth-seeded Metro-East Lutheran High School at Roxana.

On Monday at Gordon Moore Park in Alton, top-seeded Marquette will meet the winner of the Edwardsville-Wood River matchup and second-seeded Alton Senior will meet the winner of Roxana-MELHS game. Times of those games have yet to be determined.

The regional championship game, like the other regionals is slated for Thursday evening. The team which has been seeded higher, will have the home field advantage.

Each of the four regional winners will advance to the Edwardsville Sectional which will be played at Cougar Field on Oct. 29 and Nov. 1. Matchups and pairings will appear in a future issue of the Press-Record.

The seven winners from the various sectionals held throughout the state (and the winner of the Chicago Public League) will advance to the IHSA state tournament next month.

The state tournament, which will be held in St. Charles this year, is slated for Nov. 4 and 5. St. Charles is a Chicago suburb.

SportsBriefs

Meet the Steamers' is Oct. 22, 29

The St. Louis Steamers will hold their second annual "Meet the Steamers" days on Saturday, October 22nd and Saturday, October 29th at Tweitman's Just for Kicks in Bridgeton and Jamestown respectively. Both sessions will start after the club's morning practice, the Steamers announced today.

All Steamers fans will have an opportunity to meet their favorite players Steve Pecher, Sloba Iljevski, Don Ebert, and the rest of the Steamers will take part in an open workout for the fans.

Immediately following the 10 a.m. practice, the players and coaching staff will be available for an autograph and photo session.

The Steamers also announced that opening day and single game tickets will go on sale Saturday, October 15th at the Arena Box Office. Ticket prices are \$4, \$5, \$7, \$8, and \$9. Group discounts are available.

For more information, call the Steamers' Sales Office at 781-4030.

Dancercise class sign up

Classes are now forming for another dancercise program at Granite City Raquetball Club, 3901 Stearns Avenue. Evening and daytime classes are offered with one-hour sessions twice a week.

The seven-week course begins Oct. 31. Non-member fee is \$16 for one session per week and \$31.50 for two sessions per week.

The program is a combination of stretch and floor exercise and aerobics choreographed to music. Call 831-8300 or come in for information and enrollment.

Trapping registration on Oct. 26

Illinois Department of Conservation officials will begin registering persons for trapping positions on Wednesday, Oct. 26, at Horseshoe Lake in Granite City.

Persons may register from 9 to 11 a.m. at the Horseshoe Lake office. A drawing for select trapping locations on the lake will follow at 11 a.m., after registration closes.

To register, persons need a valid trapper's license. Also, only water sets will be permitted. The trapping season begins Dec. 9.

For further information persons should call the Horseshoe Lake Park Office at 331-0270.

For more information call St. Louis U. at 638-3177; SIUE-Edwardsville at 618-692-3500.

SIUE Autumn Run Oct. 22

The Southern Illinois University at Edwardsville department of campus recreation has announced

that the third annual Autumn Run has been scheduled for Oct. 22 with a 9 a.m. start.

The run, which covers a 10-kilometer or 6.2 mile course around the SIUE campus, has several entries available and all running enthusiasts are encouraged to get official entry forms at the Bubble Gym or obtain additional information by calling the SIUE campus recreation department at 618-692-3584.

All participants in this year's event will receive a specially designed Autumn Run 10K patch, and the top two finishers in both the men's and women's division will receive awards.

Cost of the Autumn Run will be \$2 per student and \$3 for all non-students.

Amish finishes in third place

John Amisch, son of Margaret and George Amisch, 1429 Seventh Street, Madison, placed third in 13-15 boys age group, 5-mile (Green Tree Run, held in Kirkwood, Mo. on Saturday, Oct. 15).

Amisch swims for Sugar Creek swim team, which entered the run as part of the conditioning program for swimming.

During the summer, Amisch swims for the Paddlers Swim Club.

SFF soccer league sign up

Soccer For Fun in Granite City is now taking team applications for junior boys and girls teams for November/December.

This is a six-game session for \$180. The session will start in early November. For more information please call 727-0619.

Referees needed

The Granite City Park District broomball league needs referees for the coming season. Those interested should call the Park Office.

If no referees are found, the league may have to be cancelled.

Braves, Gators clash

The Coolidge Junior High Braves' football team, still undefeated this year, will square off against cross-town rival the Grigsby Gators this afternoon at Memorial Stadium.

This afternoon's game was scheduled yesterday but because of inclement weather, the game has been rescheduled for this afternoon.

Coolidge 3-1 this season, tied Roxana 28-28 last Wednesday. The Gators are 2-2 after last week's win over

Bethalto.

The Braves are coached by Keith Parker. The Gators are coached by John Sikora. Today's game begins at 4 p.m.

Broomball fee extended

The Granite City Park District has extended the deadline for payment of entry fees for the broomball league until Friday, Oct. 25, at 5 p.m.

There are still some team vacancies in the league. The fee is \$100 per team.

Trojan kickers down Waterloo Bulldogs

The Madison High School Trojan soccer team picked up its fifth win of the season Monday afternoon, bettering the Waterloo Bulldogs 5-1. The victory improved the Trojans' record to 5-7-2 on the season.

For Madison, Mark Martinez managed a hatrick, scoring the Trojan's second, third and fourth goals. Michael Young, a senior midfielder, was the Trojan's second leading scorer with one goal and two assists.

The Trojans broke on top just over 30 minutes into the contest as Brian Brown took Michael Young's cross and squarely put it into the net. The goal came at 32:20.

Martinez picked up the first of his three goals at 44:16 as he took another Michael Young pass and sliced it to the lower right corner of the Waterloo goal.

The spunky little center forward picked up his second goal of the afternoon 11 minutes later as he took a pass from Derrick Newsome, the Trojan's center halfback. The goal came at 55:30.

DeLaren Young assisted Martinez with the hatrick goal two minutes into the fourth quarter. At 62:40, Martinez used his left foot to boot his third goal in the upper left corner of the goal.

Michael Young scored the Trojan's final goal at exactly 68 minutes as he took a pass from right winger Zemry Ranson to give Madison a 5-0 lead.

The Bulldogs got on the board in the final 30 seconds of the contest as Jim Grandcolas dribbled down the right side, beating Madison's defense.

The Trojan's final game of the regular season is scheduled for this afternoon as they travel to Roxana to take on the Shells. Action begins at 4 p.m.

Madison, Cahokia and Granite City begin regional competition this weekend in the Granite City Regional. The Trojans will travel to Cahokia on Monday to face the Comanches at 4 p.m. The winner of that game will meet Granite City Monday afternoon in the regional championship at the Warriors' Gauntlet.

Reigning Tournament Champions

McCluer North Stars to play prior to Boot game

Already one of the top collegiate soccer games in the country, the 13th Annual Bronze Boot game featuring St. Louis University and SIUE-Edwardsville is destined to be a hot item with the SLU Billikens currently rated 7th in the Nation.

The Boot game received a boost, recently, however, with the announcement that the two top rated schools in

St. Louis prep soccer, McCluer North and CBC, would play a preliminary game at Busch Stadium at 5:45 p.m. prior to the 7:30 p.m. Boot starting time, Friday, Oct. 28.

The undefeated North Stars of McCluer North have performed a rarity this far in 1983—as a public school team—by winning the Catholic Youth Council Tournament and have a 12-0-1 mark.

North recently solidified its position with the tourney championship of the prestigious Granite City Pepsi-Cola Tournament that included teams from Missouri, Illinois and Indiana.

The 16-0 North Stars will find an equally tough opponent in CBC, though. The Cadets are second rated after winning the Catholic Youth Council Tournament and have a 12-0-1 mark.

Malloy collected his third assist of the game at the 46:34 mark when he set up Steve Gauvain off a free kick. The Cougars' final score of the game came at the 87:58 mark when Steve Gauvain pushed a penalty

kick into the Hawks' net. Steve Trittschuh, 1983 graduate of Granite City North High School, is a member of the SIUE soccer team.

Call 831-8300 or come in for information and enrollment.

For more information call St. Louis U. at 638-3177; SIUE-Edwardsville at 618-692-3500.

Cougars head into season home stretch

EDWARDSVILLE—Still clinging to hopes of their 15th consecutive berth in the NCAA National Tournament, the soccer Cougars of Southern Illinois University at Edwardsville head into the home stretch of the 1983 campaign with four home games in their final five games.

Currently sporting a 5-5-2 record, the Cougars put their 14-year tournament streak on the line beginning Saturday when SIUE hosts the University of Wisconsin-Milwaukee and Sunday when the Cougars battle the University of Illinois-Chicago. Both games are scheduled for 1:30 p.m. starts.

The Cougars' only road game remaining on the 1983 slate will be Oct. 28 when SIUE entertains St. Louis University in the Bronze Boot battle at Busch Stadium. The regular season concludes with a Nov. 4 homecoming contest against the U.S. Air Force Academy and a Nov. 6 battle with the Bluejays of Creighton University.

The Cougars pushed their record back to the .500 level last Saturday as SIUE defeated a season-high four goals and defeated Quincy College, 4-2. Down 1-0 at the 9:36 mark, the Cougars tied the game at the 34:30 mark when Dan O'Keefe took a pass from Tim Loughman

off a throw-in from Dan Malloy and beat 'QG goalkeeper Matt Derrick in the corner of the nets.

SIUE took a 2-1 advantage into the locker room at halftime when Bruce Reinger collected his third goal of the season on a throw-in

from Malloy. Malloy collected his third assist of the game at the 46:34 mark when he set up Steve Gauvain off a free kick. The Cougars' final score of the game came at the 87:58 mark when Steve Gauvain pushed a penalty

kick into the Hawks' net. Steve Trittschuh, 1983 graduate of Granite City North High School, is a member of the SIUE soccer team.

Call 831-8300 or come in for information and enrollment.

For more information call St. Louis U. at 638-3177; SIUE-Edwardsville at 618-692-3500.

Madison residents back Bellcoff for mayor

To the Editor:

We, the undersigned, were pleased to see the article in the paper by the Madison City Democratic Ladies' organization on behalf of the current Madison Mayor.

Why did we like the letter? The reason is simple. If the current mayor chooses to face the voters at the polls the people of Madison will have a real choice, and a real voice when they cast their secret ballot in the voting booth on election day.

We favor John Bellcoff for Mayor of Madison.

We favor Bellcoff not for personal gain, but for the overall welfare of all the people in Madison, to help for the future survival of Madison.

He is of unquestioned integrity, a compassionate person who will not turn his back on anyone in need. He will listen to the people and consider their opinions, not

Just his opinion on issues. There is no person in our city with more experience and knowledge of governmental affairs, particularly city government, than Bellcoff.

He has been city clerk for 16 years, served on the Madison School Board for 19 years and was school board president 16 years.

As vice-president of a sound conservative Madison bank, we feel Bellcoff has the sound financial knowledge and judgement needed by a mayor before committing the taxpayers to projects costing hundreds of thousands of dollars, and no real guarantee the city will benefit.

Stop and think about Bellcoff's experience. It includes the Southwestern Law Enforcement Commission, Tri-City Regional Port Authority and the

Southwestern Illinois Metro-Park and Regional Planning Commission. We are happy the taxpayers will have a choice on the type of mayor they want and to be free of the city of Madison.

(Editor's Note: This letter, accompanied by a petition supporting John Bellcoff for mayor, actually contained 111 signatures. Since last week's letter supporting Mayor Saay contained 37 signatures, the Press-Record agreed to carry the first 37 signatures on the petition, in the interest of fairness.)

Mrs. Hawkins defends her town voting record

To the Editor:

As a member of the Nameoki Township Board of Trustees, I often vote no and, at the same time, I know my one vote of five will not change the old-time status quo in issues.

OLDER WORKERS SHOULD BE HIRED

Why do employers consider men and women over 35 unemployable? I know there is a lot of unemployment and younger people are finding it difficult to locate jobs, also. The applications say "EOE (Equal Opportunity Employer)" and will hire between the ages of 18 and 70. That is a lot of bunk.

I am a federal government retiree and have applied at various places of business, besides submitting resumes. I have had at least three interviews, but was never hired. I am not "over the hill" by a long shot. A lot of older people make better employees because we know how to work hard and are dependable, too.

I would not seek employment if it were not necessary. Food, clothing and utility bills go on with no discounts. We have to pay the same as everyone else.

A close relative passed away and there was not enough insurance to pay the bills, so the doctors, hospital, etc., have to wait. That is the main reason for my seeking employment. I was not brought up to let things slide by.

So, come on, guys, give us a break!

PLEASE WITHHOLD MY NAME

My no votes do however, disturb some of the officials, but I will continue to vote my own convictions, no matter what they say about me. Whenever I do bring out the truth concerning issues for the taxpayers, false statements will be lodged against me. I have grown to expect an attack greater than the one before.

There is a plan in progress to discredit me. Other words for it are "political assassination if you don't shut up." The caller was very clear in his message.

Please allow me to explain my position on conventions.

Abortion deaths not in statistics

To the Editor:

I am writing in regard to a news item which appeared in the Press-Record, Monday, Oct. 10, 1983.

It called for page 12 and headed "clerk releases vital statistics."

I believe it was an incomplete report since it was reporting all deaths and births in the Granite City area for the month of September.

In connection with October being named Pro-Life Month, I am contending that there should be a report given of the number of fetus deaths that take place at our abortion clinic.

This is a licensed, legal place of business under the protection of our city.

Are we ashamed of these "deaths"?

We should be!

GERALDINE L. HURSEY
Granite City

At our Oct. 11 meeting I voted no, concerning this issue. I voted no for the third year of my four-year term. I vote my conscience and will do so at all times.

I was never against sending the top officials to the conventions, but I am against a resolution designating all nine officials to attend. I also voted against the budget and the levee.

I do not think it is proper for the officials to pick up a check on Friday at the town office, spend it, but do not bring back receipts to show, how the money is spent and, worse than that, taking the money and not attending the convention at all.

I realize these things went

on long before I hit the scene and will still go on after I am gone, but I refuse to accept certain things and only hope to be respected for my honesty.

Administrator will journey to national meeting

By a 5-1 vote Tuesday night, the Granite City School Board authorized Supt. B.J. Davis to attend the annual meeting of the American Association of School Administrators Feb. 24-27, 1984, in Las Vegas, Nev.

"It has been two years since I attended this convention. I'm not sure if I can work it into my schedule but I request permission to attend, so that I can make reservations. The reservation can be cancelled if I'm unable to attend," Davis said.

Board Member Robert Maxwell said he thinks the information obtained by Davis will benefit the district.

In voting negatively, Board Member David Parney said he thinks the financial condition of the schools is such that convention expenses should be avoided.

Approving the trip were Maxwell, Pres. Donald Stucke, Sec. George Moore,

Treas. Dewey Melton and Monroe Worthen. Tom Miosky was absent.

No board members expressed interest in attending the AASA meeting.

Without a dissenting vote, the board authorized Gary Piroder, new Chapter 1 supervisor, to attend the 10th annual conference of the National Coalition of Chapter 1 Parents' Nov. 2-6 in Cleveland, Ohio. All the expenses will be charged to Chapter funds.

Also approved without opposition was attendance by Alfred Wilson, Marshall principal at the April 12-16 meeting in New Orleans of the National Association of Elementary School Principals. He was granted released time, and the group will pay his expenses in exchange for speaking at the convention.

The board approved retirement plans of Gordon Falloni, a school district warehouse laborer, effective Oct. 24.

Retiring in June 1986 will

be Robert Rash, a Coolidge Junior High English teacher, and Mary Lou Howard, a Grigsby Junior High physical education instructor. The latter will have completed 30 years of teaching in Illinois, including the last 28 years in District Nine, at the end of the 1985-86 year.

Mary Kaye Rogers was named to direct elementary choral students in after-school classes. She is an honorably dismissed teacher.

Gordon Galbreath will be head basketball coach of Granite City High School girls and Jacob Varadian will be the assistant GCHS girls' basketball coach.

Varadian, an honorably dismissed teacher, is currently employed by the district at a long-term substitute teacher.

Completing coaching assignments for the 1983-84 year, the board approved the following GCHS extracurricular positions:

Three "A" track and field assistant coaches, Mel Bun-

ting, Dave McClain and Dave Ames; two "B" track and field assistant coaches, Walt Whitaker and Ron Yates.

Three assistant baseball coaches, Jack Parker, John Modica and Greg Patton; assistant softball coach, Gus Ligon.

Three assistant boys' basketball coaches, Jack Parker, Len Lybarger and Bryan Wilkinson; and two assistant wrestling coaches, Larry Carl and Jim Harsh.

Joseph Fedora, director of physical education and athletics, was praised by Moore for his role in securing Southwestern Conference membership for GCHS.

Fedora noted that the conference voted Oct. 12 to accept Granite City as a full member for 1984-85, including voting privileges. Probationary membership would have eliminated voting rights for two years. He said the other high schools were "extremely considerate" in their action.

Melvin Poole and Cathy Webb

Poole-Webb

The engagement of Miss Cathy Webb and Airman First Class Melvin Poole is being announced by the bride-elect's mother, Mrs. Judy Webb, 2807 Sunset Drive.

Parents of the prospective groom are Mr. and Mrs. Melvin (Carolyn) Poole of 1708 Courtenay Blvd.

Miss Webb is attending Granite City High School. Her fiancé graduated from Granite City High School North in 1982, and is presently stationed at Beale Air Force Base in Maryville, Calif.

Plans are being completed by the engaged couple for a July wedding.

Friendly Circle honors member

Mrs. Virgie Settle, Sunday School teacher for the Friendly Circle of Dewey Avenue United Methodist Church, was accorded special honors in observance of her birthday by members of the circle.

The group met at the church for a potluck luncheon with Mrs. Wilma Amsbury offering the table prayer followed by devotions given by Mrs. Evelyn Hamilton.

President Evelyn Thompson presided over the business segment. The circle members voted to change their meeting date to the first Thursday of the month instead of the second Thursday.

After other business, Mrs. Hamilton invited the group to meet in her home for the November session.

Others attending were Mesdames Millie Sherman, Lora Hancock, Mary Davis, Viola Brooks, Tenny Webb, Mary Hanfelder, and guest, Mrs. Amsbury of Collinsville. She is the wife of the late Rev. John Amsbury former pastor of the church.

Joseph Millers parents of girl

Mr. and Mrs. Joseph (Debra) Miller III of Venice, are announcing the birth of their first child, a girl, born on Oct. 1 at St. Elizabeth Medical Center.

The infant has been named Megan Louise Miller and she weighed 5 pounds, 12 ounces.

Grandparents are Joseph Miller Jr., St. Louis, Mr. and Mrs. James (Doris) Baker Sr. of Venice, and the late Mrs. Philamina "Minnie" Miller.

A great-grandfather, Custus A. Riddle, also resides in Venice.

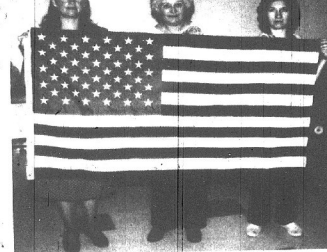

Lora Scarborough and Michael Zarlingo

Zarlingo-Scarborough

Mr. and Mrs. Ronald Scarborough, 2754 Washington Ave., are announcing the engagement and forthcoming wedding of their daughter, Miss Lora L. Scarborough, and Michael A. Zarlingo.

The groom-elect is the son of Mr. and Mrs. Albert Zarlingo of Omaha, Neb.

They plan to be married on Nov. 5 at Calvary Baptist Church, 3000 Washington Ave.

FLAG DONATED. Betty Wilkins (center), Americanism Chairman for Amvets Post 51 Auxiliary, presents a flag to Cub Scout Pack 7 of St. Joseph Church. Also pictured are Mary Mendoza (left), den mother of Den II and Regina Buecker, den mother, Den I.

Amvets Auxiliary gives flags to cubs

Members of Dens I and II and the Webelos of Cub Scout Pack 7 of St. Joseph Church were presented an American flag by Betty Wilkins, Americanism chairman of Amvets Post 51 Auxiliary, at a meeting recently at Sacred Heart Church. Prior to the presentation of the flag, Mrs. Wilkins read a poem entitled "Our Flag—Yours and Mine" and then gave each Scout present an Amvet booklet pertaining to proper flag etiquette.

Cub Scouts present included:

Paying more for car insurance this year? Check with State Farm

Lesche hosts Guest Day

Lesche Literary Club observed its annual guest day at the Red Lobster in St. Louis with 26 guests and members attending the noon luncheon.

Mrs. Bess Henley, club president, welcomed the group and Mrs. Lois Lester offered the invocation.

Mrs. Catherine Schnipper, program chairman, introduced guest speakers, Mrs. Janet Blue and Sharon Simmons who gave an interesting program on "How You Can Be Beautiful in Living Color."

The presentation was designed to present the concept of discovering the color most becoming to each individual and building a wardrobe and make-up around the articles of apparel.

Attending the affair were guests, Mesdames Bonnie G. Bess, Hannah Kleinschmidt, Ariene Fox, Evelyn Maxwell, Violet Thruha, Helen Krumpal, Ida Carls, Jeanette Pauly, Jacquelyn Robb, and Janet Outing.

Members attending were those named and Mesdames Ruth Ann Bartles, Mary Ann Cochran, Marie Gordon, Lois Holm, Gerri Jackson, Virginia John, Marie Klein, Mary Miller, Geneva Miller, Verna Stuart, Peggy Stevens and Muriel Veil.

The November meeting will be in the home of Mrs. Connie Strobel with Mrs. Klein giving the program on "Secrets of the Pyramids."

Mrs. Stuart reviews book

Mrs. Verna Stuart presented the program at the October luncheon meeting of the Bay View Reading Club held at Geo's Restaurant, last week.

She reviewed a book entitled, "I Didn't Do It Alone," by Art Linkletter, for her presentation.

During a short business meeting it was announced that Mrs. A. E. Krumdiek will host the next meeting in her home.

Others attending were: Mrs. Dorothy Bunie, Mrs. Ruth Huxel, Mrs. Krumdiek, Mrs. Chris Louis, Miss Frances Lynch, Mrs. Dorothy McCauley, Mrs. Dorothy Miller and Mrs. Bette Rea.

Cotter College is chapter topic

Members of Chapter KU, P.E.O. Sisterhood reviewed information concerning Cotter College in Nevada, Mrs. at the October chapter meeting held in the home of Mrs. Jo Ann Burcky, 2588 Spaulding Ave.

The facility is the only college owned and supported by a woman's organization, the P.E.O. Sisterhood, the president announced. All members agreed during the discussion to send a monetary gift to the college, on behalf of the chapter.

Mrs. Bonnie Loftus announced the number of reservations made for the annual reciprocity tea held at Central Christian Church Wednesday.

The next session will be a joint meeting with Chapter HT of Granite City at Niedringhaus United Methodist Church to hear reports from the International Convention, the president added.

Mrs. Burcky served refreshments to 16 members during a social hour.

Beverly Goodman and Victor Graham

Graham-Goodman

Plans for a November wedding were disclosed with the engagement announcement of Miss Beverly J. Goodman and Victor P. Graham by the bride-to-be's father Lloyd Goodman, 2605 W. 22nd St.

Parents of the prospective groom, Mr. and Mrs. Doyce "Al" Graham, reside at 2601 Morrison Road.

Miss Goodman was

graduated from Granite City High School South and is employed as a teller at First Granite City Savings and Loan.

Her fiancé is working as a welder at National Marine in Hartford, Ill. He is a Granite City High School graduate.

The betrothed couple will be united in marriage on Nov. 5 at Glenview Chapel, Assembly of God Church.

Daniel Kamp and Edeea Kincy

Kamp-Kincy

Mr. and Mrs. Lendal Kincy, 2318 Lincoln Ave., are announcing the birth of their daughter, Miss Edeea Kincy to Daniel Gregory Kamp, son of Mr. and Mrs. Gregory Kamp of Golden Eagle, Ill.

Plans are being completed by the engaged couple and their families for a spring wedding to be solemnized at St. Mary's Catholic Church in Brussels, Ill.

Miss Kincy graduated in 1982 from Granite City High School South and is enrolled at Belleville Area College where she is studying to be a Medical Record Technician. She also is employed at the Granite City Center, BAC, as a student secretary.

The groom-elect is a self employed farmer and a 1980 graduate of Brussels Community High School. He also attends Lewis and Clark Community College where he will graduate in December with a degree in Business Administration.

Nighohossians name son Jeremy

Jeremy Ross is the name selected by Mr. and Mrs. Haig Nighohossian, 3229 Colgate Place, for their third child, a boy born on Oct. 15 at Jewish Hospital in St. Louis.

The infant weighed 7 pounds, 14 ounces, and has a 6-year old brother, Darrick and a 2-year old sister, Cara. Grandparents are Mr. and Mrs. Samuel Nighohossian, Mrs. Mary Hanfelder, all of Granite City, and the late Walter Hanfelder.

Roberson-Ortiz

The wedding of Miss Catherine Ortiz, daughter of Mr. and Mrs. Frank Ortiz, 3024 Warren Ave., and Denis W. Roberson, son of Mr. and Mrs. Howard Roberson, was solemnized on Aug. 27 at St. Margaret, Mary Roman Catholic Church.

Sister Marilyn Theresa presided at the organ and accompanied Mrs. Mary Lee Kicielecki, as she sang several nuptial selections.

The Rev. Terry Shea officiated at the 2 o'clock afternoon ceremony which was followed by a reception hosted at the Party Time Hall.

Mrs. Joan Kirgan, a sister of the bride, served as matron of honor with bridesmaids, Miss Mary Ortiz, another sister of the bride, and Miss Ann Roberson, the groom's sister.

Jennifer and Chrissie Aleman, cousins of the bride, were flower girls and George Allen Kirgan, the bride's nephew, was the ring bearer.

The groom chose Gary Mielke as best man. Jeff Luehmann and David Roberson, a brother of the groom, were groomsmen, and Keith Cook, the bride's cousin, seated the guests.

A 1978 graduate of Granite City High School South, the bride also graduated from Southern Illinois University with a Bachelor of Science

Degree in Nursing. She is a member of Alpha Phi Women's Fraternity and is employed as a registered nurse in the Intensive Care Unit of St. Elizabeth Medical Center.

The groom graduated from Granite City High School in 1974, and from St. Louis University where he received a Bachelor Degree in Business Administration. He is self-employed as an exercise rider and thorough bred race horse owner at Fairmount Downs race track.

They are residing in Granite City and in November will take a belated wedding trip to Mexico.

Party honors 2-year old

Brandon Scarborough celebrated his second birthday at a party given at McDonald's Restaurant in Collinsville, by his parents, Mr. and Mrs. Scott Scarborough.

Guests attending were Erin Ballew, Nathan and Matthew Scarborough, Dena Scarborough, Mr. and Mrs. Randy Ballew, Mrs. Mary Scarborough and Mr. and Mrs. Glen Johnson.

GC Jaycee women award 2 donations

The Granite City Jaycee Women announced donations of \$2,485 at a recent meeting. Donations totaling \$1,147 were given to the Southwestern Illinois Epilepsy Association, so that school materials may be purchased for this group. Also, \$336 was donated to Juvenile Diabetes as a result of a fund drive on Oct. 8.

Carolyn Jones, chairman for the haunted house committee, reported on progress made in preparation for selling picture buttons at the haunted house the last week in October at the Jaycee Clubhouse, 1855 Poplar St.

It also was noted that the Jaycees have asked for assistance from the women with the upcoming Bowling Sweepstakes. The money from the project goes to the Christmas shopping spree for underprivileged children.

Also at the meeting, new member Carol Wofford was inducted into the club. Club member Mary Burgess announced she had won the State Springboard Award.

Surprise party for Fern Hahn

Mrs. Fern Hahn was honored during the weekend with a surprise party in honor of her birthday, held at the Niedringhaus United Methodist Church in Wesley Hall, and was hosted by her son and his wife, Richard and Emily Hahn and her daughter and her husband, Ken and Linda Tankley.

The birthday party was also a combination family reunion.

The following local relatives were present: Clyde and Eula Myers; Floyd and Ina Myers; Karen and Sara Myers; Bruce and Mary K. Groshong; Susan Selheimer; Tom and Diane Groshong and Eileen; Kip and Jeneal Pomeroy and Eric and Jamie; Edson and Loretta Hahn; Richard and Emily Hahn; Stacie and Philip; Kenneth and Brenda Hahn and Eric; Sharon File, all of Granite City.

Out of town relatives were from Flint, Mich., Chicago, Lutesville, Mo., South Holland, Ill., Belleville, Paducah, Ky., Madison, Mo., Marble Hill, Mo., O'Fallon, Mo., De Soto, Mo., and Canfield, Ohio.

Gene Ross is party honoree

A surprise party was held at the home of Mr. and Mrs. E. Gene Ross in Granite City, honoring Ross on his return from Springfield, Ill., after being installed there as Most Worshipful Grand Master of the State of Illinois.

Hosting the social event were Mr. and Mrs. William Black, a son-in-law and daughter, and children William and Misty and Mr. and Mrs. Joe Stefanoff.

Among those attending was the honoree's wife, Mrs. Doris Ross and son and daughter-in-law, Mr. and Mrs. Larry Ross and children, Rebecca, Kate, Jimmie and D.J.

Refreshments were served to those mentioned and to 36 guests.

Mr. and Mrs. Denis Roberson

Madison Jr. Service plan future events

Madison Junior Service Club will host a Pancake and Sausage Breakfast on Sunday, Oct. 23, at the Madison Recreation Center from 8 a.m. to 1 p.m., according to the club president.

All proceeds will be donated to the American Cancer Society in memory of the late Mrs. Julia Voloski, who was an active member of the organization.

Tickets may be purchased from any member of the club or at the door on the day of the affair.

Members also are finalizing arrangements for the club's annual Hobbit Auction set for Nov. 8 at the

Madison Recreation Center. Featured at the auction will be many handmade crafts designed as holiday gifts as well as many for use throughout the year, the president added.

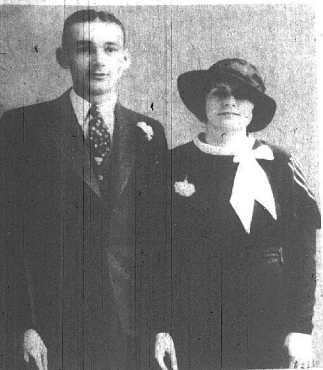

Sun follower The sunflower derives its botanical name, Helianthus, from its characteristic heliotropism, the gradual turning of the plant to follow the sun's course.

Mr., Mrs. Janek announce boy

Mr. and Mrs. John Janek of Granite City, became the parents of their fourth child, on Oct. 14, at St. Joseph Hospital in Bloomington, Ill.

The new arrival, a boy, weighed 9 pounds, 12 ounces, and has been named Jacob Martin. He has two brothers, Chris, 6-years old, Jonas, four, and Jeanna who is two years of age.

Grandparents include Mrs. Rose Janek of Granite City, and Mr. and Mrs. Harold Hollstein of Waukegan, Ill.

Mr. and Mrs. Herman Fahnster

Mr., Mrs. Fahnster to mark anniversary

Mr. and Mrs. Herman Fahnster, 2009 Clark Ave., will celebrate their golden wedding anniversary at a reception to be held at the First Assembly of God Church, Fellowship Hall, 23th Street and Grand Avenue on Sunday, Oct. 23.

The social event is planned by the honorees daughters, Mrs. Jeannette Overturn of St. Louis, and Mrs. Rebecca Creath of Granite City, Mr.

and Mrs. Fahnster also have five grandchildren. Mr. Fahnster and his wife, the former Agnes Wolz, were united in marriage on Oct. 24, 1933, in a ceremony performed in St. Joseph Catholic Church parsonage.

Both are members of the First Assembly of God Church. Mr. Fahnster worked for 37 years at Granite City Steel and retired in August 1971.

Laureate Chapter visits Retirement Center

The Laureate Alpha Gamma Chapter of Beta Sigma Phi Sorority, met at the Cottonwood Retirement home of Mrs. Mary Birmingham and after the meeting toured the center.

During the business session members agreed to change its meeting time from 7:30 to 7:45 p.m., but will continue to meet on the second and fourth Wednesday of each month.

Mrs. Arlene Haldeman, social chairman, announced plans to visit Shaw's Gardens in St. Louis, and it was also announced that a special meeting of the Granite City Beta Sigma Phi City Council was to be held at the home of Mrs. Carol Cathey to discuss membership.

After the business segment, games were played and the group presented the hostess, Mrs. Birmingham, a fall floral arrangement. Mrs. Imogene Forrest, Mrs. Martha Jean Dyer and Mrs. Dolores Byrnes all won prizes.

The evening concluded with a dessert course served by the hostess who was assisted by Esther Spitz and Lucille Haywood, of the retirement home.

Others attending were Pat Tsigoliaroff, Jane Stevens, Delores Dorch, Evelyn Tolliver, Lora Lombardi, and special guests, Mrs. Lucille Voyles, sorority sponsor and Mrs. Bea Brackett, member-at-large.

The chapter ended its summer affairs with a visit to the St. Louis Muni Opera to see Camelot and later visited a restaurant for dessert and coffee. Present were Evelyn Tolliver and daughter, Mary Ann, daughter-in-law, Janice Tolliver and her sister, Mary Herr, Jane Stevens, Martha Dyer and Ruth Stoyanoff.

To open the new year a Beginning Day swim party and potluck luncheon was hosted by Mr. and Mrs. Leland Backett.

ENTERTAINERS. Charlie Brown and Snoopy will be at The Patch this Saturday and Sunday to greet small residents as they visit the Halloween Wonderland at the Junior Achievement parking lot on Johnson Road and Wabash Avenue. Tickets costing \$2.50 will be available at the autumn event.

'The Patch' opens this weekend

The Thursday Night Company of Junior Achievement, sponsored by Illinois Bell, will start their year of meetings and projects by opening "The Patch."

Three companies, Buzzco III, The Royal Enterprizes and the Woodchuckers, are making plans to change the parking lot of Junior Achievement, located at Johnson Road and Wabash Avenue, into a Halloween

Wonderland for the small children this weekend.

Saturday the youngsters are invited to visit the autumn event from 10 a.m. to 6 p.m. and on Sunday from noon to 6 p.m.

Tickets costing \$2.50 may be purchased at The Patch. Highlight of the fund raising project will be the appearance of Snoopy, Charlie Brown and Cookie Monster, who will visit with the youngsters.

Each child will have the opportunity to speak with the talking pumpkin and select a pumpkin to take home.

Miss Elieff hosts chapter

Miss Anastasia Elieff was hostess to the Xi Epsilon Chi Chapter of Beta Sigma Phi Sorority when a demonstration of craft art was given by Sabrina Kuehle from Art-Craft Concepts.

The guest speaker demonstrated the art of stickloom weaving, quick pointing and longstitching with all chapter members participating.

The next meeting will be held in the home of Judy Bartel in Collinsville, it was announced. Refreshments were served to those named and to Cookie White and Mrs. Bartel after the business session.

Chapter HT opens season

Chapter HT, P.E.O. Sisterhood held its first meeting after the summer vacation at the home of Mrs. Harold Fischer, 2725 Madison Ave., with 22 members responding to roll call.

Mrs. Leo Konzen, president, presided over the business segment. She announced that Mrs. Randall Robertson and Mrs. Maurice Dailey are to be chapter representatives in planning the 1983 P.E.O. convention.

The next meeting will be a joint session with Chapter KU at Niedringhaus United Methodist Church at 6:30 p.m. on Oct. 24, the president noted.

Temple Baptist gospel concert

Mrs. Mary Ramsey of Harrison, Ark., will present a special gospel musical concert on Wednesday, Oct. 26, at Temple Baptist Church, 1900 Harris St., Madison.

She will be accompanied by her husband, Delvin Ramsey, who is in charge of musical selections.

The Rev. Jack Gouy, pastor of the church, extends an invitation to the public to attend the performance.

MICHELLE LOFTUS

Michelle Loftus is selected student dancer

Michelle Loftus, a junior student at St. Elizabeth Academy in St. Louis, has been accepted by the Mundy Student Theater Project for its High School Appearance Program.

She auditioned for the program which is open to students in grades 10 to 12 and will involve a variety of classes in acting, dance, voice and improvisation. The classes meet at Tegeler Hall on the St. Louis University campus, on Saturdays, for 10 weeks and then will involve the students in the university productions.

Miss Loftus has studied dance with Marge Salem School of Dance and at Southern Illinois University at Edwardsville. She has participated in productions at various functions including a variety show in July benefiting the Jerry Lewis Muscular Dystrophy campaign held at Polish Hall in Madison.

She is the daughter of Mr. and Mrs. Mickey Loftus, 26 Bermuda Lane.

Bethel 43 plans sausage supper

Bethel 43, Order of Jobs Daughters, will host its annual family style sausage supper on Tuesday, Nov. 8 from 11 a.m. to 7 p.m. It was announced at a regular meeting of the organization held at the Masonic Temple.

Tickets costing \$4 for adults and \$2 for children under 12, may be purchased in advance or at the door on the day of the fund raising project, which will be held at the Masonic Temple, 20th Street and Cleveland Boulevard.

Past queens were accorded special honors during the meeting and social hour which followed in the dining room. Those feted were, Misses Suzy Sandall, Sherry Hancock, Sheri Ashal, Mesdames Kathleen Offit, Mary Davis, Michelle Hartline and Robin McBee.

A report was also given on the supreme official visit to Springfield, earlier this month, at the Scottish Rite Cathedral. Local members attending the state convocation were Carmen Joyce, Beth Barr, Lisa Gibbons, Lisa Jones, Paula Bills, Andria Jones, Beth Bodann, Stacie Hahn, Brandi Baker, Becky Davis, Rita Ellis, Deanne Tenace, Diane Kalmayer, Cathi Hester, Mrs. Fred Barr, Mrs. Robert Jones, Mrs. Bill Gibbons, Mrs. Marilyn Bodann, Mrs. and Mrs. Richard Bills, Mrs. Charlotte Root, Mrs. Weidner, and Mr. and Mrs. Courtland Bosworth.

Mr. and Mrs. Robin Clutts

Clutts-Lipscomb

Miss Patricia Lipscomb, daughter of Mr. and Mrs. George Lipscomb, 2233 East 25th St., and Robin Clutts, son of Mrs. Grace Peterson of Granite City, and George Clutts of Cape Girardeau, Mo., were married on Oct. 8 at the First United Presbyterian Church.

The Rev. Richard Hunt officiated at the 3 o'clock afternoon ceremony which also marked the 60th anniversary of the bride's grandparents, Mr. and Mrs. Abe (Ann Catlin) Shannon of Granite City.

Pam Dayton served as maid of honor and Mary Hoskins, a sister of the groom, was the bridesmaid.

The groom chose Dale Worley as best man, and Larry Dayton as groomsman. Seating the guests were David Longo and Carl Chrusciel.

Tommy Hoskins, a nephew of the groom, was the ring bearer and escorted Ericka Dayton, the flower girl.

Sherrilyn Longo presided over the guest book. After the church service a reception was held at the home of the newlywed couple, 1017 Washington Ave., Madison.

The bride is employed as special education teacher at Providence School in St. Louis, and the groom is attending Southern Illinois University at Edwardsville.

Citizens' Forum will hear school candidates

The citizens of Granite City will have an opportunity to hear each of the School Board candidates express individual views and interests at the Monday, Oct. 24 meeting of the Granite City Citizens' Forum, which will begin at 7 p.m. at the Lincoln Place Community Center, 1922 Niedringhaus Ave.

The candidates in the Nov. 8 election who will speak at the meeting are Robert Braundmeier, Alan R. Crider, Kenneth R. Davis, Donald L. Gargac, Kelly Hogan, Ruth D. Lahr, Robert F. Maxwell, Dewey Melton, Geo. E. Moore Sr. and Donald W. Stucke.

Board member David Partney, who will be out of town, will be represented by someone who will speak on his behalf.

Each candidate will be allowed an equal amount of speaking time and a question and answer session will follow the talks.

"Inasmuch as more than 50 percent of property tax revenue goes to the schools, the Granite City Citizens' Forum invites all residents to attend this meeting to acquaint themselves with the candidates and urges everyone registered to actively support the commu-

ty by voting in this election," Don Conley, Concerned Citizens' president, said.

LISA STARNES AT ILLINOIS WESLEYAN

Residents of 228 cities, 36 cities in 10 other states and one foreign city are included in the 496 freshmen enrolled at Illinois Wesleyan University.

The 496 total differs from the 566 freshmen reported by Registrar James Barbour because the registrar's report included transfers with freshman status at the time of application to Wesleyan, and this report includes only entering freshmen.

Four hundred forty five of the 496 freshmen are from Illinois. There are 17 from Wisconsin, 11 from Missouri, eight from Indiana, six from Iowa, two each from California, Michigan, and one each from Connecticut, Florida, Kentucky and Minnesota. The foreign student is Hassan Mohammad of Kym Tong, Kowloon, Hong Kong.

Among the students is Lisa D. Starnes, 1131 Logan St., Madison, in the College of Liberal Arts. She is a graduate of Madison High School.

NEW SIX COLUMN FORMAT BEGINS NOVEMBER 3RD

Beginning THURSDAY, NOVEMBER 3RD, The PRESS-RECORD will convert to a six column format. Joining literally thousands of other newspapers across the U.S., we will adopt the newspaper industry "SAU" Standard Advertising Unit format. The "SAU" format has been adopted by the newspaper industry to standardize newspaper advertising and news formats to provide uniformity to American Newspapers.

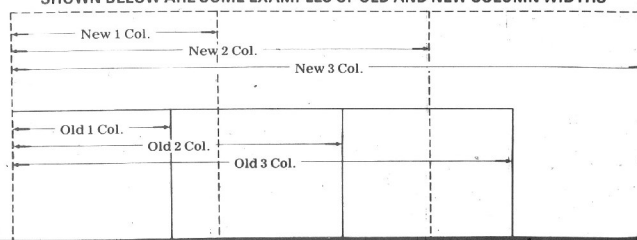

There are significant advantages not only for the newspapers themselves, but also for advertisers and readers alike. The six column format will allow us to set our news and features in a type measure that will be much easier to read. Because the six column format utilizes wider columns and a more modular page design, readers will notice that the paper appears less cluttered, better organized and more pleasing to the eye. Our front page has been designed using this format since 1975.

TO OUR ADVERTISERS

THE CHANGE OVER TO THE NEW FORMAT WILL RESULT IN CHANGES IN PRICING OF ADVERTISEMENTS. THE COST PER SQUARE INCH OF SPACE WILL REMAIN THE SAME, BUT DIFFERENT WIDTHS OF COLUMNS WILL ALTER THE SQUARE INCHES PER COLUMN.

THE COLUMN SIZE IN THE CLASSIFIED SECTION WILL REMAIN IN OUR PRESENT 8 COLUMN FORMAT . . . CLASSIFIED PRICING WILL NOT CHANGE.

SHOWN BELOW ARE SOME EXAMPLES OF OLD AND NEW COLUMN WIDTHS

A public meeting is called in Mitchell to combat burglaries

A public meeting is being arranged by Mrs. Donna Thomas and Mrs. Jeanette Stefanoff, both Mitchell residents, to address the rash of residential burglaries plaguing the rural area.

The meeting is scheduled for Tuesday, Oct. 25, at 7 p.m. at the Chouteau Township Hall.

Both women have been the victims of home burglaries recently and want to alert their neighbors and, hope-

fully, start a program in cooperation with the Madison County Sheriff's Department to stop future burglaries.

Mrs. Thomas said that there have been in excess of 95 residential burglaries in the Mitchell area during a one-month period recently. She pointed out that some of the more recent burglaries have been during the day and she feels that something can and must be done to combat the burglars.

She also said that she found out that homeowners' insurance might not cover many items taken in a burglary and homeowners should read their insurance policies and find out exactly what is covered.

Representatives of the Sheriff's Department and the Madison County State's Attorney's office also are being asked to attend and Mrs. Thomas said that she expects more than 100 residents will attend the public meeting.

Monetarism program sponsored by GC Trust and Savings Bank

A program entitled "What is Right and Wrong with Monetarism" will begin at 7:30 p.m. Wednesday, Nov. 2, in the University Center at Southern Illinois University at Edwardsville. The program is being sponsored by 12 banks, including Granite City Trust and Savings Bank.

Monetarism is the view that changes in the quantity of money have a major effect on national output and prices, far greater than in the theories of John Maynard Keynes. With the

reception of this new perspective, there has been increasing attention to changes in the quantity of money by monetary authorities, financial institutions, and in recent times, even by the investing public. Now, in the face of large federal deficits, the issues of monetarism have become more urgent.

The propositions of monetarism have gained attention largely because of the theoretical and empirical work of Milton Friedman and Anna Schwartz. Though widely accepted, many of these propositions remain controversial. Some praise monetarist policy for reducing inflation and interest rates. Others blame monetarist policy for having caused high rates of interest and unemployment. Still others claim that true monetarist policy has yet to be endeavored to distinguish what is right and what is wrong with monetarism. The public forum will inform the general public on this controversy.

MESD sells land for I-255 project

The Metro East Sanitary District (MESD) recently passed two resolutions which sold or gave rights-of-way to the Illinois Department of Transportation for 60 acres of land. The resolutions will bring in \$55,419 to the levy district.

Walter "Shang" Greathouse, president of MESD, said this sale was the first time the district had been paid "this kind of money" for land it sold.

"The money we'll get from this will be enough for us to make a couple of payrolls at the district. There is no reason why we should give property away anymore. If someone wants some of the district's land, or wants to go across it, they're going to pay for it or they're not going to get it."

Greathouse also told the sewer and drainage committee of the Tri-Cities Area Chamber of Commerce Monday afternoon that he feels the sale is good for both parties involved and noted, "We (MESD) won't have to mow it anymore and to clean up old tires and junk people throw there."

The land talked about in the resolutions is all located between Route 162 and State Aid 35. The land deal includes temporary easements on 232 acres for \$250, 946 acres for \$20 and a permanent easement on 2,024 acres for \$540.

Land sold included 214 acres for \$71, another 29.85 acres for \$24,220, a 27.45 acre parcel for \$21,818 and 10.98 acres for \$0.75.

The levy district is very happy about the sale and they think the people in the state who appraised the parcels of land, have been very fair about the whole thing," said Greathouse.

Alter SIUE registration procedures

Administrators at Southern Illinois University at Edwardsville have announced changes in the registration process, beginning in the winter quarter.

Using appointment cards, students will register in the registration process, beginning in Room 1309 of the Rendleman Building. Registration had previously been held in Meridian Ballroom of the University Center.

Registration for winter quarter classes will officially begin Oct. 31 and continue for five weeks. Special registration for people with handicapping conditions has been scheduled for Oct. 28.

Mandatory advisement will be required for all students before they register for classes.

To see an adviser, undergraduate students who have declared a major and those who are not seeking academic degrees must contact the Office of Academic Services.

Graduate students will contact their academic units if they have been admitted into a graduate program. If their status is either "classification pending" or "unclassified," they are to contact the Graduate School.

To register, students must submit a course request

form (CRF) that has been signed by an adviser, indicating what courses will be pursued during the quarter. These forms are only available from the advisers.

Appointment cards will be available to both undergraduate and graduate students by their academic schools or departments. To learn how the cards will be distributed, students are asked to first check with the units in which they receive advisement.

Additional information concerning admission policies, counseling and advisement, or registration procedures may be obtained by contacting the SIUE Office of Admissions and Records.

CHARGE DISMISSED
A disorderly conduct charge against Talmad G. Hawkins of Granite City has been dismissed by the Madison County State's Attorney's office, he was notified by mail this week and his bond money was returned. He was charged with acting disorderly at the scene of an accident when a Granite City police squad car went through the front window at Lombardi's Interiors June 17 after allegedly chasing Hawkins' brother on a motorcycle.

A SHOW OF SUPPORT for the new senior citizens' center in Pontoon Beach is offered by members of the village's Lions and Kiwanis clubs during the open house for the facility. From the left are: Bob Durbin, Lions president, donating another \$500 and bringing

the Lions' share of the costs of maintaining the building to \$1,500. Judy Wasson, immediate past president of the Lioness Club, donating \$100, and Neva Lucas, head of the community development citizens' committee overseeing operation of the center.

Expand parent-teacher conferences to Nov. 3-4

Expansion of this fall's parent-teacher conferences from Nov. 2 to Nov. 3-4 was authorized Tuesday night by the Granite City School Board.

With average class size larger this fall, it was concluded that one day would be insufficient to offer 20-minute discussions with all parents on their elementary youngsters' progress.

"Several options are available in providing parent/teacher conference days, but I believe two full conference days, back to back, would be the best option," Warren Collins said.

He is administrative assistant for elementary education.

"It has been our experience that 20 minutes is the minimum time we can schedule and still have a meaningful conference. By making maximum use of the scheduled time, 18 conferences are possible per day."

"If we opt to have one and a half days in the fall and a half-day in the spring, the number of possible full

conferences increases to 27. However, we have 74 classrooms where there are more than 27 students enrolled," Collins related.

In these 74 rooms there are 310 students whose parents could not be scheduled in the one and a half days. If we provide two full days for conferences, the number of sessions possible increases to 36 per teacher. This would reduce the number who could not be scheduled from 310 to five.

"Two days of conferences in the fall do not insure that conferences will not be needed outside of regular hours. Working parents are accommodated when it is possible to work out a schedule acceptable to both parties. I believe that back-to-back days in the fall can be helpful to both the parents and the teachers."

"Kindergarten classrooms are not included in these figures. Because each kindergarten teacher has double sessions, substitutes will be needed on Wednesday, Nov. 2, to release the teachers to accommodate

this larger number. This has been our practice for the last four years.

"On Oct. 6, I was in Springfield for a Chapter 1 meeting and took this opportunity to discuss changing the scheduled March 22, 1984, conference day to Friday, Nov. 4, 1983."

"Dr. Thomas Springer of the Public School Approval Section assured me he would approve this calendar change."

The Illinois School Code permits only two full days for parent-teacher conferences. Therefore, a calendar change of the second conference day is necessary to provide two days in the fall.

Madison County Regional Supt. Harold E. Briggs has indicated he would also approve this request. Elementary principals supported this concept at an administrators' meeting Oct. 5.

"I recommend that we request permission to have two full days for parent-teacher conferences Nov. 3 and 4."

"During the early part of the second semester, we can survey the buildings to determine how many conferences are needed for the spring. Since this number is usually much smaller, it may be possible to have a five-clock-hour day with the remainder of the day utilized for conferences. Four con-

\$13,248 in court fines distributed

Traffic fines totaling \$13,248 have been distributed to Quad-City area government entities as a part of \$151,064 in September traffic fines which have been released by the office of Willard V. "Butch" Fortall, Madison County circuit clerk.

Fines distributed to this area and to state agencies during December include the following.

Granite City	\$9,236
Madison	\$1,989
Venice	\$1,366
Pontoon	\$957
State overweight	\$15,678
Commerce Comm.	\$801

Madison County	\$49,810

DETOURS NEXT WEEK AT MISSOURI AVENUE

A Norfolk & Western Railway crew will repair damage at the Missouri Avenue rail crossing south of Pontoon Road Oct. 24 to Oct. 28, through vehicle traffic to be detoured over 20th Street, Rock Road, 19th Street and Illinois Route 3 west of Missouri Avenue.

During reconstruction of the grade-level auto-rail crossing near A.O. Smith Corp., signs and traffic control devices will be provided to guide motorists. The Illinois Department of Transportation is urging that motorists "be patient and cautious when traveling" near the former Illinois Terminal Railroad crossing.

RELIGIOUS AWARDS. Four Cub Scouts from Pack 47 of St. Mary's Catholic Church, Madison, received the Parvuli Dei Award. Those participating in the ceremony are: front row, left to right, the Rev. Melchior Toczek and Steven Mainbridge, Tony Mainbridge and Eric Brinker, all servers, and the Rev. Frank Kordek; middle row, Cub Scouts Philip Brinker, Donald Lucanik, Greg Voloski and Michael Lucanik; back row, Scouters Ron Luebben, Rich Ballew and Larry Brinker.

Cub Scouts receive Parvuli Dei

The Rev. Melchior Toczek, OFM, spiritual director of Cub Scout Pack 47, has presented Parvuli Dei awards to four members of St. Mary's Catholic Church, Madison.

The Parvuli Dei is a religious award of the Catholic faith.

Those receiving the awards were Greg Voloski, son of Mr. and Mrs. Tom (Dorothy) Voloski, Phillip Brinker, son of Mr. and Mrs. Brinker, son of Mr. and Mrs. Brinker, son of Mr. and Mrs. Brinker, son of Mr. and Mrs. Brinker.

Larry (Delores) Brinker, and Michael and Donald Lucanik, sons of Mr. and Mrs. Harry (Janet) Lucanik.

In other pack events, the Cub Scouts conducted their first meeting of the school year, with Cubmaster Larry Brinker welcoming the boys and their parents. Marc Griffin and Greg Voloski led opening ceremonies.

Brinker introduced the new Den 1 leader, Allison

Terrell. Cubs in Den 1 are Steven Watkins, Michael George, Donald Lucanik, Wesley Jackson and LaDon Adams.

Boys receiving Webelos emblems were Greg Voloski, Phillip Brinker, Marc Griffin and Michael Lucanik. Sean Terrell is a new recruit.

Plans were finalized for an October hayride. The next pack meeting will be conducted Oct. 23 at St. Mary's cafeteria.

Calvary Baptist plans Halloween programs

In keeping with the Halloween season, Calvary Baptist Church, 3000 Washington Ave., has planned autumn events for the youngsters and young people.

The Children's Department will host a party on Monday, Oct. 24, at 6 p.m. in the fellowship hall. All departments, from the first grades on through six, will plan their own refreshments and games.

The Pre-School Department will host a hayride and wienner roast to be held at the Baptist Center in Mitchell from 1 to 6 p.m. on Saturday, Oct. 29.

According to the announcement, the church extends an invitation to the young people in grades 7 to 12, to attend Halloween Movie Night from 6 to 11 p.m. Saturday, Oct. 29, in the fellowship hall of the church.

Admission will be free to those dressed in costume, and 50 cents will be charged for everyone else. Refreshments will be served and coupons for free popcorn and soda will be distributed during the Sunday School hour at 9:30 a.m.

Other church related events include a church wide Sunday School picnic this Saturday, Oct. 22, at noon at Shelter 2, Wilson Park. Each

one attending is to bring a picnic lunch and all teachers and workers will be recognized and presented with an appreciation certificate for their position of last year.

Each Friday night is Singles Night at the church and all singles from 18 to 65 are invited to attend the social event which begins at 7:30 p.m. For further information those interested are to call 877-3696, according to the announcement.

During the weekend the Adult 2 Sunday School Class enjoyed a scenic bus tour along the Great River Road, the historic village of Elsie, Eckert's Orchard and had a picnic lunch at Pere Marquette Lodge.

Those attending were Mr. and Mrs. Ell Brandabas and Bobbie, Mr. and Mrs. Dwayne Bridges and family, Mr. and Mrs. Leroy Taylor, Brian and Richard, Mr. and Mrs. Ed Prokes and Todd, Mr. and Mrs. Wayne Bryant, Mrs. Dennis Morris and Dennis, Mrs. Barbara Glowacki and April, Jim Messenger, Mr. and Mrs. Jim Schuber, Mrs. Kenny Clark and Sarah, Mr. and Mrs. LaMoine Kinder and Mr. and Mrs. Ron Scarborough.

Autumn Fest Saturday at Nameoki Methodist

An "Autumn Fest '83" will take place at Nameoki United Methodist Church, Primrose Avenue and Pontoon Road, on Saturday featuring a fried chicken dinner and craft booths offering various items for sale as holiday gifts. The co-chairmen William and Linda Yates announced today.

Booths displaying Christmas ornaments and gift items, homemade bread and pastries, toys and books in the Kid's Korner,

knick knacks and attic treasures, will be open to the public from 9 a.m. to 6 p.m. There also will be hand-made quilts exhibited for sale, the chairman added.

Dinner will be served from 4:30 to 7 p.m. at a cost of from \$3.50 to \$4. Tickets may be purchased at a less price in advance or at the door on Saturday. Children under five will be served free with parents. Refreshment orders will also be available.

MINISTER: Gale A. Thornton

Rev. Richard Dorich named director PTL Ministries

The Illinois District Council of the Assemblies of God has announced the resignation of their state superintendent, Dr. Richard W. Dorich, effective Dec. 31, 1983, to become the Corporate Executive Director and Senior Executive Vice-President of the PTL Ministries, headquartered in Charlotte, N.C.

The Illinois' Assemblies of God headquarters are located at Lake Williamson Christian Center, Carlinville, Ill.

The Rev. Dorich, formerly of Granite City, has been an executive officer of the Illinois Assemblies of God since 1966, when he was elected Executive Secretary-Treasurer. In 1970, he was elected state superintendent, and has served in that capacity since that time.

Under Dr. Dorich's leadership, the Assemblies of God in Illinois has started over 100 new churches in communities throughout the state. The denomination's facilities at Lake Williamson Christian Center have also been developed with a 48-room lodge, new office additions, and a district chapel.

In the past several years the Illinois district has led the Assemblies of God world missionary contributions, giving over \$6,000,000 in 1982. One major achievement of Rev. Dorich's tenure was the establishment of the Illinois Bible Institute, which has three main divisions consisting of radio ministries, correspondence studies, and continuing pastoral education. Since 1975, the Illinois Bible Institute has established three full-time radio stations located in Carlinville, Champaign, and Pekin, Ill.

The correspondence division, which provides a comprehensive curriculum for theological studies, has over 6,000 students enroll in courses the past decade. The new division, the department of Continuing Education, sponsors seminars for pastors and provides consulting and counseling services for pastors and congregations. Rev. Dorich has served as president of the institute since its formation in 1973.

In addition to serving as state superintendent, Rev. Dorich is a member of the Executive Presbytery of the General Council of the Assembly of God, the highest elective body of the

Maryville Church revival Sunday

Evangelist Bayless and Linda Admaro of Charleston, S.C., will open revival services at Maryville Church of God Church on Sunday, Oct. 23, beginning at 10:45 a.m. The special services will continue each night of the week at 7:30 p.m. and at 7 p.m. Sunday p.m.

The couple has ministered before at Maryville, Alton, St. Louis and surrounding areas. They also were associate pastors of one of the largest churches in Detroit, Mich., for several years before starting a career in the missionary and evangelistic field, the Rev. George Ankarlo, host minister announced today.

The public is invited to attend the services at the church located 150 just north of Maryville, Rev. Ankarlo added.

HOSPICE CONFERENCE SCHEDULED SATURDAY

The first Southwestern Illinois hospice conference is set for 9:30 a.m. to 4 p.m. Saturday at the SIUE University Center, featuring talks by Avery D. Weisman, M.D., Harvard Medical School professor, on "Coping Strategies" and "Psychosocial Ramifications of Cancer."

Speakers will include Dr. Shabbir Sadfar, and a panel will discuss the hospice concept. Overall theme will be "Coping and Caring"—"there is a limit to what can be done to cure, but human caring has no limits; the only true answer to suffering, fear and loneliness is caring."

Smorgasbord Sunday at Madison Church

The Sacred Heart of Jesus Polish National Catholic Church, 930 Reynolds Street, Madison, is sponsoring a smorgasbord on Sunday, Oct. 23, at the parish hall, from 11 a.m. to 6 p.m.

The smorgasbord will feature fried chicken, roast beef, special Polish sausage, skink-be-babs, salads, hot and cold vegetables, dessert and beverage.

The cost of the dinner is \$5 for adults and \$2.50 for children and carry-outs are available. The public is invited according to Rev. Edmund Mlynarczyk, pastor of the parish.

Gospel concert at Apostolic Church

A special gospel singing program will be held at 7:30 p.m. Saturday, Oct. 22, at the Apostolic Pentecostal Church, 14th and Iowa streets, Madison, according to the Rev. Walter Jones, host pastor.

Featured performers will include The Comforts from Herrin, Ill., and the Allen Family from Ava, Ill. Admission is free and the public is invited to attend the minister added.

"Come now, and let us run together," saith the Lord: "though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool."

Niedringhaus bazaar Friday

The United Methodist Women of Niedringhaus United Methodist Church, 20th Street and Delmar Avenue, will host its annual Holiday Bazaar and Luncheon on Friday, Oct. 21, from 9 a.m. to 2 p.m.

Luncheon will be served from 11 a.m. to 1 p.m. and the menu will include tuna casserole or spaghetti, salad and dessert for \$3, according to the chairman of the project.

Booths will feature, "Yarns and Things" with many handmade pillows, afghans, baby and full size quilts, lap robes and crochet and knitted items.

The Christmas booth will have handmade ornaments, wreaths, stockings and other decorations, which will be offered for sale. The Boutique Booth will have new Year bean soup mix and rice, and ceramic items.

Jams, jellies, relish, pear honey, French dressing, candy, caramel corn, candy apples, pies, cakes and breads will be exhibited in the Country Kitchen.

Local choir party shows Stein piano

Central Christian Church, 2020 Johnson Road, hosted its monthly choir party recently at the home of Earl and Loretta Bloomquist, 2306 Edison Ave.

Featured at the meeting was a recital by Donald Bloomquist, who played on a special piano which was recently brought from Boston. The piano, which is a copy of a piano built in 1784 by Johann Andreas Stein, is veneered in black walnut, with a diamond shaped pattern on the lid.

Bloomquist is an organist at Central Christian and a private piano teacher in Granite City.

After the program, refreshments were served by Mrs. Lois Bibrey and Mrs. Bloomquist. Others in attendance at the meeting were: Warren and Mildred Collins, Jim and Margaret Turner, Joe and Madge Hanson, Nancy Dunn, Paul Thomas, Myra Parrish, Helen Stumpe and Emma Lou Stern.

A native of the Granite City area, he is married to the former Mildred Nickles. They have two children, Deanna Collins and Richard II, and two grandchildren, Michael Collins and Ivory Elizabeth Dorich.

Wooden tees
Wooden golf tees did not catch on until 1922, two years after Dr. William Lowell, a New Jersey dentist, patented a small red peg with a concave top called the "Reddy Tee." By 1940 there were more than 150 U.S. patents on golf tees.

Ola Jones to head Church Women United

Mrs. Ola Jones of Mount Nebo Baptist Church, 800 Jefferson St., West Madison, was elected president of the Quad-City Church Women United at the group's recent board meeting.

Elected to serve with Mrs. Jones in 1984 were: Delores Vogeler, Niedringhaus United Methodist Church, vice president; Lena Seitzer, Central Christian Church, secretary; Lameck Anders, Nameoki United Presbyterian Church, treasurer; and Arlene Brinkmeyer, St. Peter Evangelical United Church of Christ, nominating committee chairman.

Installation of officers will take place at the January Assembly at Nameoki United Methodist Church, scheduled Jan. 10, 1984.

Announced at the same board meeting was the selection of Norma Corzilius, current president of Church Women United, as one of 40 women, nationwide, to participate in Church Women United's "International Women's Causeway" for Peace to the Caribbean.

The program will take place Nov. 12 through Nov. 23 when the participants will be divided into four teams of

10 women, with each team to be resourced by a member of the Church Women United staff and a woman native to the country being visited.

Mrs. Corzilius will travel first to New York for orientation at the United Nations, leaving from there to serve a wide range of situations.

The group will meet with government officials, representatives of the private sector, religious leaders and community-based groups.

Goal of the "Causeway" program is to provide an opportunity to listen, hear and experience first hand the economic, political and cultural-religious reality of the Caribbean people.

In particular, the group will examine the result of the current United States policies in the region.

Countries included in the "Causeway" visit are: Argentina, Dominica, Barbados, Grenada, Dominican Republic and Jamaica.

Board members congratulated Mrs. Corzilius on her selection to the group. The board will next meet at 1 p.m. Tuesday, Oct. 25, at the Nameoki United Presbyterian Church.

Revival opens Sunday at Second Baptist

A week-long revival will open on Sunday morning at the Second Baptist Church, 2100 Illinois Ave., featuring

Films to be shown at Faith Baptist

On Sunday, Oct. 23 at 7 p.m. the Missouri Association for Creation will be showing two films at the Faith Baptist Church, Faith Avenue and Nameoki Road.

The films to be shown are: "The Earth, A Young Planet?" and "The Origin of Species?" Each of the films is 30 minutes in length and deals with important areas of the creation and evolution controversy.

"The Earth, A Young Planet?" presents many scientific dating techniques which indicate the earth is relatively young. "The Origin of Species?" partially filmed in Darwin's own home, answers such questions as, "Can time and chance create new species?" "Did all life gradually evolve from a single original cell?" etc.

For more information, contact Pastor Clayton Moorman at 452-1172. The public is cordially invited. The public is cordially invited. The public is cordially invited.

Evangelist Walter K. Ayers, according to an announcement by the Rev. Carl Watkins, host minister.

Special emphasis will be introduced each night of the revival with an outstanding program planned for Sunday, Oct. 27, at 7:30 p.m. for the benefit of the youth department, when the Rev. Ayers will give his life story. He has spoken at Southern Baptist Convention, at the First Baptist Church in Dallas, Texas, and given his testimony over 700 times. Rev. Watkins explained.

Sunday, the featured speaker will deliver the message at both the 10:50 a.m. and 7:30 p.m. services. Each night he will address the congregation and guests at 7:30 p.m. Tuesday there also will be a hot dog supper for grades four to six at 8 p.m. to be followed by the evening service.

Farm output
It's estimated that since 1945 the use of pesticides has accounted for 20 percent of the increase in farm output. Some experts estimate a return of about \$4 for every pesticide dollar spent.

Police clear 135 cases after arresting GC men

A cooperative effort by all Granite City Police Department personnel has resulted in clearance of a total of 135 burglaries and attempted burglaries, dating back to January 1982. The cases were cleared by the arrest last week of two Granite City men.

Past cases involved alleged burglaries at schools, business firms and residences. Vehicle burglaries accounted for a majority of the incidents reportedly being cleared.

Taken into custody following their most recent alleged intrusions were Ricky W. Vernoy, 18, of 2026 Benton St., and Kenneth M. Stangis, 17, of 212 Adams St.

Each was charged with one count of residential burglary and one count of auto burglary in informational documents issued through the Madison County state's attorney's office.

Preliminary hearings for Vernoy and Stangis are scheduled Friday in the Edwardsville court. After an Oct. 13 appearance in the Granite City court, Vernoy was transferred to the Madison County Jail at Edwardsville. Stangis was released after posting a \$2,000 cash bond, pending a preliminary hearing.

The pair was arrested at the home of Vernoy, where some loot allegedly was recovered from a burglary reported Oct. 11 at the basement apartment of David Price, 2055 Cleveland Blvd., and the burglary of a vehicle reported the same day by Mr. and Mrs. Dennis Rott, who reside at the same Cleveland address.

None of the loot from previous burglaries was recovered, according to Detective Jerry Wilson, who coordinated the investigation.

In announcing the successful clearance of the alleged 135 burglaries, Police Chief Ronald J. Veizer praised the cooperation between different branches of his department to achieve the end result. This case was worked by all divisions in the department. Especially important were key efforts by men in the patrol division, but the overall results were accomplished by all officers working together as a unit," the police chief stated Tuesday.

Cases allegedly cleared by information gathered during the investigation were burglaries at Logan School, Jan. 26, 1982, Granite City Public Library, Jan. 28, 1982, Belleville Area College—Washington School Center, March 15, and July 12, both in 1982. Lord Nelson's Game Room, July 27, 1982, and Ralph's Texaco Station, July 14, 1982.

The incidents continued throughout 1982 up to the current month, reports indicate.

At least 76 auto burglaries, 30 truck and van burglaries and 12 garage burglaries are included on the list of alleged crimes cleared during the investigation, according to Detective Wilson.

The alleged incidents were tied together by various investigative methods after the men allegedly were seen carrying an item into the Vernoy residence. The object being carried had been reported missing in a recent burglary, it is contended.

ALCOHOL CHARGE
Terry Spinnoff, 20, Granite City, was charged with unlawful possession of alcohol after an incident in Collinsville early this week. Spinnoff was a passenger in the auto of Robert Ashby, 18, Edwardsville, which was observed going the wrong way on a one-way street. Ashby was charged with driving while under the influence of alcohol or drugs, illegal transportation of alcohol, unlawful possession of alcohol and improper lane usage.

St. John UCC sausage sale

St. John United Church of Christ, 2901 Nameoki Road, will be conducting an open market country meat sale on Friday and Saturday, Nov. 4 and 5, in the cemetery building.

Four kinds of homemade sausage, pork, beef, liver and headcheese, will be sold for \$2.20 per pound according to Don Robertson, chairman. Country bacon and ham will be sold for \$2 per pound.

Anyone in the community who wishes to order may do so by calling Don Robertson (876-0168), Steve Sues, (876-2256), John Kelleke (931-1520) or the church office (877-4000). Orders must be placed before Oct. 28, and orders may be picked up Friday, Nov. 4, between 9 a.m. and 5 p.m. or Saturday, Nov. 5, between 9 a.m. and noon.

Persons who prefer not to order may shop at the market on Friday or Saturday until the supply is depleted. Robertson suggests ordering early, however, to guarantee selection.

All proceeds from the meat sale will be donated to Project Accessibility, the elevator project at the local church, the chairman explained.

Suggestions for a safe, happy Halloween in 1983

Every Halloween, reports of candy tampering and dangerous substances infiltrating trick-or-treat bags fill the news. To prevent this from happening again this year, the St. Louis Regional Police Center located at Cardinal Glennon Memorial Hospital for Children has developed a set of rules for trick-or-treat safety.

First, young children should be accompanied by an adult or responsible older child.

Second, the children's costume should be free of dangling ends that may cause him to trip and fall.

Holidays have a way of changing. Thousands of years ago, November 1 marked the Celtic New Year in parts of England and France. On the eve of that day, malicious spirits were believed to swoop down to earth. To ward them off, villagers lighted huge bonfires and wore masks.

Later, the observance merged with a Roman harvest festival and the Catholic church's All Hallows' Eve.

Halloween was born into the United States on the great wave of Irish immigrants in the 1940s. It was an occasion for hayrides, bonfires, ghost stories and practical jokes. Only in the last few decades, with the gruffness of fruit and candy to costume children, was trick-or-treating begun.

A whole new dimension to the holiday was added in 1950 when a Pennsylvania Sunday school class donated \$17 collected from trick-or-treating to UNICEF (United Nations Children's Fund). Since then, a virtual army of children has trick-or-treated annually for UNICEF, collecting nearly \$70 million to help the world's poorest countries through UNICEF-assisted projects. In response to this new ritual of sharing, Halloween's harvest, Oct. 31 was declared National UNICEF Day.

Day by President Lyndon B. Johnson in 1967.

Halloween, National UNICEF Day, is still evolving. In an effort to make it a safer, more festive occasion, and to enlist the continuing support of volunteers who are past the age of trick-or-treating, the U.S. Committee for UNICEF has introduced a bagful of new Halloween traditions.

Some of these activities involve converting buses, basenotes, gymnasiums and empty storefronts into "haunted houses." Others include hosting face painting parties, masquerade balls, races or costumed sporting events.

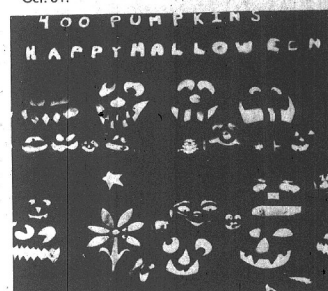

With a theme of "Halloween for Kids of All Ages" and with Tony Randall as chairman, National UNICEF Day this year is expected to be more successful than ever, exceeding last year's \$2 million fund-raising effort.

Money raised from the National UNICEF Day helps provide emergency aid to victims of earthquakes, famines and floods, and promotes long-range community development programs to enrich the lives of children. Anyone interested in participating in National UNICEF Day may call 1-800-942-8881 and ask for Operator 49.

Halloween is National UNICEF Day

CREATURES like these will be asking in your help to snuff out the "hunger monster" this Halloween. Support National UNICEF Day! Oct. 31.

THE GRINS and grimaces of 400 pumpkins last Halloween helped light up the smiles of children around the world. The Youngstown, Ohio, pumpkin display raised \$1,800 for National UNICEF Day.

MUST GO THURS. named to consumers 2 24 val 2

Mrs. Sylvia Orsey of Granite City has been named to the National Panel of Consumer Arbitrators. It was announced this week. The Granite City woman successfully completed a training program, along with about 50 other volunteers, at the Clayton (Mo.) Library and was presented a certificate from William H. Tankersley, president, Council of Better Business Bureaus. As a panel member, Mrs. Orsey will serve as an arbitrator in disputes between businesses and their customers, pursuant to the rules of The Better Business Bureaus' National Consumer Arbitration Program. Nationwide, there are 1,200 members involved in the arbitration program, it was learned.

Licenses revoked 2-18-1

The driver's licenses of nine Quad-City area residents have been revoked, or suspended for alcohol-related traffic offenses, Secretary of State Jim Edgar has announced.

Licenses revoked for convictions of driving while under the influence of alcohol or drugs were those of Robert A. Yates, 36, of 2845 Edgewood Ave., Henry L. Leonard, 33, of 641 Merdick Ave., Venice, Terry A. Burton, 29, of 2118 Dewey Ave., Earnest F. Darnell, 42, of 2747 Michigan Ave., John M. Overturn, 29, of 106 Kirkpatrick Homes, Albert S. Poindexter, 39, of 1801 Pontoon Road, and Keith A. Terrell, 35, of 808 Franklin St., Madison.

Driver's licenses suspended for implied consent (refusal to submit to breath or blood alcohol testing) were those of Cheryl L. Fanning, 29, of 2229 Grand Ave., and Nathan G. Householder, Sr., 29, of 2023 Alton Ave., Madison.

Stolen car left, another is taken

It took a joint effort by the Pontoon Beach Police Department and the East St. Louis Police Department to recover the 1968 Ford Mustang stolen from the driveway of the Keel residence at 3830 John Glenn Drive in Pontoon Beach last Saturday.

Mary Keel of the above address said she parked the vehicle on the driveway of the residence at Friday midnight.

At 6 a.m. when she awoke, she noticed the vehicle missing. Following her own investigation, she called and reported the car missing at 9:45 a.m. to the Pontoon Beach Police Department.

Two days later, Monday, Oct. 17, the East St. Louis Police Department, with the aid of its LEADS computer, recovered the vehicle in East St. Louis. The only damage to the vehicle was to the ignition system, which the thieves allegedly did to start the vehicle.

In another incident which may or may not be related to the above incident, Pontoon Beach police recovered another car, a 1965 Mustang, the same night that the Keel vehicle was reported missing.

The recovered vehicle was discovered at 3935 Lake Street in Pontoon Beach, just blocks from the Keel home. The vehicle, which was stolen from St. Louis, also had its ignition tampered with.

THE HERITAGE ...

Decidedly different two story living. Built into
a sloping site, the exposure of the first floor creates
that two story effect. With the huge 78-foot
activities room and study (or the fourth bedroom),
there is significant livability on the first floor.
Upstairs is a complete living unit. Access to
outdoor living is thru sliding doors from the
formal dining room, breakfast nook or huge
master bedroom. The spacious living room enjoys
the magnificent view of beautiful Sunset Hills
Country Club. There are two fireplaces, three
baths, an abundance of storage and two car
garage.COUNTRY CLUB

**ONE
TWO
THANK
YOU!**

Thanks, folks, for making everybody's favorite, "What a Hunk", the most popular pizza around. Now it's our turn to return the favor. So here's a buck or two off the regular price of any Pantera's pizza. But don't wait too long. Coupons expire October 29, 1983.

\$1.00
on any
medium pizza.
Only one coupon per family per visit.
Expires Oct. 29, 1983. Good at participating Pantera's restaurants only. Not valid on any mini or small pizza and not valid with any other offer.

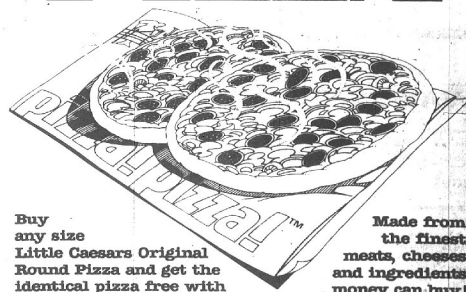

\$2.00
on any
large pizza.
Only one coupon per family per visit.
Expires Oct. 29, 1983. Good at participating Pantera's restaurants only. Not valid on any mini or small pizza and not valid with any other offer.

What a hunk!
